#### Abstract of Information Available

A total of 29 cultural items have been requested for repatriation. The six unassociated funerary objects are six lots of faunal bone. The 23 sacred objects/objects of cultural patrimony are: six lots of chipped stone, 12 lots of groundstone, three lots of faunal bone, and two lots of other stone. The cultural items were removed from the Rancheria de Bernier site in Maricopa County, AZ in the spring semester of 1987, during the course of a field school conducted by Paul Minnis, then a research associate in the Department of Anthropology at ASU. After the field season, the collection was curated by what was then the Department of Anthropology, now the School of Human Evolution and Social Change, at ASU's Center for Archaeology and Society Repository.

#### Determinations

The ASU Center for Archaeology and Society Repository has determined that:

- The six unassociated funerary objects described in this notice are reasonably believed to have been placed intentionally with or near human remains, and are connected, either at the time of death or later as part of the death rite or ceremony of a Native American culture according to the Native American traditional knowledge of a lineal descendant, Indian Tribe, or Native Hawaiian organization. The unassociated funerary objects have been identified by a preponderance of the evidence as related to human remains, specific individuals, or families, or

removed from a specific burial site or burial area of an individual or individuals with cultural affiliation to an Indian Tribe or Native Hawaiian organization.

- The 23 sacred objects/objects of cultural patrimony described in this notice are, according to the Native American traditional knowledge of an Indian Tribe or Native Hawaiian organization, specific ceremonial objects needed by a traditional Native American religious leader for present-day adherents to practice traditional Native American religion, and have ongoing historical, traditional, or cultural importance central to the Native American group, including any constituent sub-group (such as a band, clan, lineage, ceremonial society, or other subdivision).

- There is a reasonable connection between the cultural items described in this notice and the Ak Chin Indian Community; Gila River Indian Community of the Gila River Indian Reservation, Arizona; Hopi Tribe of Arizona; Salt River Pima-Maricopa Indian Community of the Salt River Reservation, Arizona; Tohono O'odham Nation of Arizona; and the Zuni Tribe of the Zuni Reservation, New Mexico.

#### Requests for Repatriation

Additional, written requests for repatriation of the cultural items in this notice must be sent to the authorized representative identified in this notice under **ADDRESSES**. Requests for repatriation may be submitted by any lineal descendant, Indian Tribe, or Native Hawaiian organization not identified in this notice who shows, by a preponderance of the evidence, that the requestor is a lineal descendant or a culturally affiliated Indian Tribe or Native Hawaiian organization.

Repatriation of the cultural items in this notice to a requestor may occur on or after August 11, 2025. If competing requests for repatriation are received, the ASU Center for Archaeology and Society Repository must determine the most appropriate requestor prior to repatriation. Requests for joint repatriation of the cultural items are considered a single request and not competing requests. The ASU Center for Archaeology and Society Repository is responsible for sending a copy of this notice to the Indian Tribes and Native Hawaiian organizations identified in this notice and to any other consulting parties.

## INTERNATIONAL TRADE COMMISSION

[Investigation No. 337–TA–1434]

### Certain Composite Intermediate Bulk Containers; Notice of Commission Decision Not To Review an Initial Determination Granting a Motion To Amend the Complaint and Notice of Investigation

**AGENCY:** U.S. International Trade Commission.

**ACTION:** Notice.

**SUMMARY:** Notice is hereby given that the U.S. International Trade Commission has determined not to review an initial determination (“ID”) (Order No. 12) of the presiding Chief Administrative Law Judge (“Chief ALJ”) granting an unopposed motion to amend the complaint and notice of investigation to assert additional patent claims against two respondents.

**FOR FURTHER INFORMATION CONTACT:** Sidney A. Rosenzweig, Office of the General Counsel, U.S. International Trade Commission, 500 E Street SW, Washington, DC 20436, telephone (202) 708–2532. Copies of non-confidential documents filed in connection with this investigation may be viewed on the Commission's electronic docket (EDIS) at <https://edis.usitc.gov>. For help accessing EDIS, please email [EDIS3Help@usitc.gov](mailto:EDIS3Help@usitc.gov). General information concerning the Commission may also be obtained by accessing its internet server at <https://www.usitc.gov>. Hearing-impaired persons are advised that information on this matter can be obtained by contacting the Commission's TDD terminal, telephone (202) 205–1810.

**SUPPLEMENTARY INFORMATION:** On January 27, 2025, the Commission instituted this investigation based on a complaint filed by Schütz Container Systems, Inc. of North Branch, New Jersey and Protechna S.A. of Fribourg, Switzerland (collectively, “Complainants”). 90 FR 8222–23 (Jan. 27, 2025). The complaint, as supplemented, alleged violations of section 337 of the Tariff Act of 1930, as amended, 19 U.S.C. 1337 (“section 337”), by reason of the infringement of certain claims of U.S. Patent Nos. 9,718,581; 8,708,150 (“the ‘150 patent”); 8,919,562; 8,567,626; 9,004,310; and

8,276,299. *Id.* The Commission's notice of investigation named the following respondents: Shandong Jinshan Jieyuan Container Co., Ltd. of Zhengjiang City, China ("Jinshan"); Zibo Jieli Plastic Pipe Manufacture Co. Ltd. of Zibo City, China ("Jieli"); Shanghai Sakura Plastic Products Co., Ltd. (d/b/a Shanghai Yinghua Plastic Products Co., LTD) of Shanghai, China ("Sakura"); and Hebei Shijiheng Plastics, Co., Ltd. of Zhongjie Huanghua City, China ("Hebei Shijiheng Plastics"). *Id.* The Office of Unfair Import Investigations was also named as a party in the investigation. *Id.*

The Commission previously terminated the investigation as to certain patent claims from the investigation based on withdrawal of the complaint. *See* Order No. 9 (Apr. 2, 2025), *unreviewed by* Notice (Apr. 22, 2025). In addition, the complaint and notice of investigation have been amended to change the address of Hebei Shijiheng Plastics. Order No. 10 (May 9, 2025), *unreviewed by* Notice (May 28, 2025).

On May 20, 2025, Complainants filed a motion to amend the complaint and notice of investigation to assert claims 1–3 and 5 of the '150 patent against respondent Jinshan and claims 1–3 of the '150 patent against respondent Sakura. The respondents that have appeared in the investigation (Jinshan, Jieli, and Sakura) did not oppose the motion, subject to certain concerns about the procedural schedule in view of the additional patent claims. Likewise, the Commission investigative attorney supported the motion, subject to scheduling concerns.

The Chief ALJ conducted proceedings to resolve the scheduling concerns and, on June 13, 2025, issued the subject ID pursuant to Commission Rule 210.14(b), 19 CFR 210.14(b), granting the motion to amend the complaint and notice of investigation. Order No. 12 at 3–4. The ID finds that good cause exists for the amendments because "Complainants learned of additional infringing product models manufactured by Jinshan and Sakura after filing of the complaint." *Id.* at 3.

No petitions for review of the subject ID were filed.

The Commission has determined not to review the subject ID.

The Commission's vote for this determination took place on July 7, 2025.

The authority for the Commission's determination is contained in section 337 of the Tariff Act of 1930, as amended (19 U.S.C. 1337), and in Part 210 of the Commission's Rules of

Practice and Procedure (19 CFR part 210).

By order of the Commission.

Issued: July 7, 2025.
