AGENCY: Department of Agriculture; Office of the Assistant Secretary—Indian Affairs, Interior.

ACTION: Notice of Tribal and Alaska Native corporation consultation sessions.

SUMMARY: The U.S. Department of the Interior and the U.S. Department of Agriculture (Departments) recognize that subsistence is vital to the cultures and life ways of Alaska Natives and Alaska Native communities. Under Title VIII of the Alaska National Interest Lands Conservation Act (ANILCA), the Secretary of the Interior and the Secretary of Agriculture jointly implement the Federal Subsistence Management Program. This program provides a preference for take of fish and wildlife resources for subsistence uses on Federal public lands and waters in Alaska. In accordance with *The White House Tribal Nations Summit Progress Report*, the Departments will jointly conduct consultation sessions with federally recognized Tribes and with Alaska Native corporations on Federal subsistence policy in Alaska.

DATES: *Consultations:* The Departments will conduct consultations with Tribes, Tribal consortia, and Alaska Native organizations on Thursday, January 20, 2022, and Friday, January 21, 2022, from 11 a.m. to 1 p.m. AKST, and with Alaska Native regional and village corporations on Friday, January 28, 2022, from 11 a.m. to 1 p.m. AKST.

Written comments: To ensure consideration, written comments must be submitted via email by Tuesday, February 15, 2022, at 11:59 p.m. ET.

ADDRESSES: *Consultations:* The Departments' Tribal and Alaska Native corporation consultations will be held via Zoom and telephone. Please see *Tribal Consultation and Comment*

under **SUPPLEMENTARY INFORMATION**, below, for details.

Written comments: Written comments must be submitted via email to consultation-ak@ios.doi.gov, with the subject line "Subsistence Consultation."

FOR FURTHER INFORMATION CONTACT: Rose Petoskey, Senior Counselor to the Assistant Secretary-Indian Affairs, telephone: (202) 208-7163, or 800-877-8339 (TTY); email: rose.petoskey@bia.gov.

SUPPLEMENTARY INFORMATION: The Departments will conduct virtual consultations with Tribes, Tribal consortia, Alaska Native organizations, and Alaska Native regional and village corporations on Federal subsistence policy. The listening session and consultations reflect the Departments' commitment to strengthen government-to-government relationships with federally recognized Tribes and meet requirements for consultation with Alaska Native corporations. The Departments' procedures for outreach, notice, and consultation ensure involvement of Tribes and Alaska Native corporations, to the extent practicable and permitted by law, before making decisions or implementing policies, rules, or programs that affect federally recognized Tribal governments or Alaska Native corporation interests. These consultations are open to official representatives of federally recognized Tribes and Alaska Native corporations. Further detail will be provided in the invitation letters.

Background

Under Title VIII of the Alaska National Interest Lands Conservation Act (ANILCA) (16 U.S.C. 3111-3126), the Secretary of the Interior and the Secretary of Agriculture (Secretaries) jointly implement the Federal Subsistence Management Program. This program provides a preference for take of fish and wildlife resources for subsistence uses on Federal public lands and waters in Alaska. The Secretaries published temporary regulations to carry out this program in the **Federal Register** on June 29, 1990 (55 FR 27114), and published final regulations in the **Federal Register** on May 29, 1992 (57 FR 22940). The program regulations have subsequently been amended a number of times. Because this program is a joint effort between Interior and Agriculture, these regulations are located in two titles of the Code of Federal Regulations (CFR): Title 36, "Parks, Forests, and Public Property," and Title 50, "Wildlife and Fisheries," at 36 CFR 242.1-242.28 and 50 CFR 100.1-100.28, respectively. The

regulations contain subparts as follows: Subpart A, General Provisions; Subpart B, Program Structure; Subpart C, Board Determinations; and Subpart D, Subsistence Taking of Fish and Wildlife.

Tribal Consultation and Comment

As expressed in Executive Order 13175, "Consultation and Coordination with Indian Tribal Governments," the Departments are committed to honoring the unique government-to-government political relationship that exists between the Federal Government and federally recognized Indian Tribes (Tribes) as listed at 86 FR 7554 (January 29, 2021).

Consultation with Alaska Native corporations is based on Public Law 108-199, div. H, Sec. 161, Jan. 23, 2004, 118 Stat. 452, as amended by Public Law 108-447, div. H, title V, Sec. 518, Dec. 8, 2004, 118 Stat. 3267, which provides that: "The Director of the Office of Management and Budget and all Federal agencies shall hereafter consult with Alaska Native corporations on the same basis as Indian tribes under Executive Order No. 13175."

The ANILCA does not provide specific rights to Tribes for the subsistence taking of wildlife, fish, and shellfish. However, because Tribal members are affected by Federal subsistence policy, the Secretaries are consulting with federally recognized Tribes and Alaska Native corporations.

The Departments are seeking Tribal and Alaska Native corporation perspectives pertaining to the following questions:

1. How has climate change affected subsistence? What changes could be made to subsistence policies, regulations, or laws to help you adapt to those changes?
2. How can Federal agencies better cooperate with Alaska Native Tribes, Alaska Native consortia, Alaska Native organizations, and Alaska Native corporations to promote subsistence harvest opportunities and protect habitat?
3. How does the state management regime affect implementation of the Federal priority for rural residents?
4. How can the Federal Subsistence Board and the Federal Subsistence Program be changed to better accommodate subsistence needs?
5. How should the Federal Subsistence Board define rural residents for purposes of the Federal subsistence priority?
6. What difficulties have you experienced in accessing subsistence resources?

The Departments' Tribal and Alaska Native corporation consultations will be held via Zoom and telephone as follows:

DATES: The Western Oregon RAC's January 10 to 11 meeting is postponed to March 30 to 31, 2022, and the field tour is postponed to April 1, 2022. Each meeting will begin at 9 a.m. and adjourn at approximately 3 p.m. The field tour will commence at 9 a.m. and conclude around 4 p.m. The field tour and meetings are open to the public.

The RAC will take a field tour of the Edson Campground and Sixes River Campground on Friday, April 1. The RAC will meet at 9 a.m. at the BLM Coos Bay District Office, 1300 Airport Lane, North Bend, Oregon, and arrive at the Edson Campground at 10:45 a.m., returning to the BLM Coos Bay District Office at around 4 p.m.

including the Coos Bay, Medford, Northwest Oregon, and Roseburg Districts and part of the Lakeview District. At the March meeting, the RAC will review the Secure Rural School Title II funding and recreation fee proposal process and focus on review of Secure Rural School Title II funding projects. Title II funds support restoration projects that may not otherwise have been completed, such as the improved maintenance of existing infrastructure, enhancement of forest ecosystems, and restoration of land health and water quality. In turn, these projects create additional employment opportunities in western Oregon communities and foster collaborative relationships between those who use public lands and those who manage them.

On April 1, the RAC will visit the Edson Campground and Sixes River Campground to prepare for review of potential recreation fee proposals.

The public is welcome to attend the field tour and must provide their own transportation and meals. Individuals who plan to attend must RSVP to the BLM Medford District Office at least 2 weeks in advance of the field tour (see **FOR FURTHER INFORMATION CONTACT**).
