Drug Enforcement Administration

[Docket No. DEA-364]

Electronic Prescriptions for Controlled Substances Notice of Approved Certification Process

AGENCY: Drug Enforcement Administration (DEA), Department of Justice.

ACTION: Notice.

SUMMARY: DEA is announcing two new DEA-approved certification processes for providers of Electronic Prescriptions for Controlled Substances (EPCS) applications. Certifying organizations with a certification process approved by DEA pursuant to 21 Code of Federal Regulations (CFR) 1311.300(e) are posted on DEA's Web site upon approval.

FOR FURTHER INFORMATION CONTACT: John W. Partridge, Executive Assistant, Office of Diversion Control, Drug Enforcement Administration; Mailing Address: 8701 Morrisette Drive, Springfield, Virginia 22152; Telephone: (202) 307-7165.

SUPPLEMENTARY INFORMATION:

Background

The Drug Enforcement Administration (DEA) implements and enforces Titles II and III of the Comprehensive Drug Abuse Prevention and Control Act of 1970 and the Controlled Substances Import and Export Act (21 U.S.C. 801-971), as amended, and referred to as the Controlled Substances Act (CSA).¹ DEA publishes the implementing regulations for these statutes in Title 21 of the Code of Federal Regulations (CFR), Parts 1300 to 1321. The CSA and its implementing regulations are designed to prevent, detect, and eliminate the diversion of controlled substances and listed chemicals into the illicit market while ensuring a sufficient supply of controlled substances and listed chemicals for legitimate medical, scientific, research, and industrial purposes.

The CSA and DEA's implementing regulations establish the legal requirements for possessing and dispensing controlled substances, including the issuance of a prescription for a legitimate medical purpose by a practitioner acting in the usual course of professional practice. "The responsibility for the proper prescribing and dispensing of controlled substances is upon the prescribing practitioner, but

¹ The Attorney General's delegation of authority to DEA may be found at 28 CFR 0.100.

a corresponding responsibility rests with the pharmacist who fills the prescription.” 21 CFR 1306.04(a). A prescription serves both as a record of the practitioner’s determination of the legitimate medical need for the drug to be dispensed, and as a record of the dispensing. The prescription also provides a record of the actual dispensing of the controlled substance to the ultimate user (the patient) and, therefore, is critical to documenting that controlled substances held by a pharmacy have been properly dispensed. The maintenance of complete and accurate prescription records is an essential part of the overall CSA regulatory scheme established by Congress.

Electronic Prescriptions for Controlled Substances (EPCS)

Historically, where federal law required that a prescription for a controlled substance be issued in writing, that requirement could only be satisfied through the issuance of a paper prescription. Given advancements in technology and security capabilities for electronic applications, DEA amended its regulations to provide practitioners with the option of issuing electronic prescriptions for controlled substances in lieu of paper prescriptions. Efforts to develop EPCS capabilities have been underway for a number of years. DEA’s Interim Final Rule for Electronic Prescriptions for Controlled Substances was published on March 31, 2010, at 75 FR 16236–16319, and became effective on June 1, 2010.

Update

Certifying Organizations With a Certification Process Approved by DEA Pursuant to 21 CFR 1311.300(e)

As noted above, the Interim Final Rule provides that, as an alternative to the audit requirements of 21 CFR 1311.300(a) through (d), an electronic prescription or pharmacy application may be verified and certified as meeting the requirements of 21 CFR Part 1311 by a certifying organization whose certification process has been approved by DEA. The preamble to the Interim Final Rule further indicated that, once a qualified certifying organization’s certification process has been approved by DEA in accordance with 21 CFR 1311.300(e), such information will be posted on DEA’s Web site. 75 FR 16243 (March 31, 2010). On January 18, 2013, DEA approved the certification processes developed by Global Sage Group, LLC, and by iBeta, LLC. iBeta’s certification process was previously approved by DEA but only with regard

to the certification of the application’s biometrics subsystem, including its interfaces. 77 FR 45688 (August 1, 2012). This approval for iBeta’s certification process is expanded to include the entire certification process. Relevant information has been posted on DEA’s Web site at <http://www.DEAdiversion.usdoj.gov>.

Dated: March 20, 2013.

Deputy Assistant Administrator, Office of Diversion Control.

DATES: These claims can now be filed with the Commission and the deadline for filing will be June 26, 2013. The deadline for completion of this claims adjudication program will be March 26, 2014.

FOR FURTHER INFORMATION CONTACT: Brian M. Simkin, Chief Counsel, Foreign Claims Settlement Commission, 600 E Street NW., Room 6002, Washington, DC 20579, Tel. (202) 616–6975, FAX (202) 616–6993.

Notice of Commencement of Claims Adjudication Program, and of Program Completion Date

Pursuant to the authority conferred upon the Secretary of State and the Commission under section 4(a)(1)(C) of Title I of the International Claims Settlement Act of 1949, as amended (22 U.S.C. 1623(a)(1)(C)), the Foreign Claims Settlement Commission hereby gives notice of the commencement of a program for adjudication of a category of claims of United States nationals against the Government of Iraq. These claims,

which have been referred to the Commission by the Department of State by letter dated November 14, 2012, are defined as:

claims of U.S. nationals for compensation for serious personal injuries knowingly inflicted upon them by Iraq¹ in addition to amounts already recovered under the Claims Settlement Agreement for claims of hostage-taking² provided that (1) the claimant has already received compensation under the Claims Settlement Agreement from the Department of State³ for his or her claim of hostage-taking, and such compensation did not include economic loss based on a judgment against Iraq, and (2) the Commission determines that the severity of the serious personal injury suffered is a special circumstance warranting additional compensation. For purposes of this referral, “serious personal injury” may include instances of serious physical, mental, or emotional injury arising from sexual assault, coercive interrogation, mock execution, or aggravated physical assault.

In conformity with the terms of the referral, the Commission will determine the claims in accordance with the provisions of Title I of the International Claims Settlement Act of 1949, as amended, 22 U.S.C. 1621 *et seq.* The Commission will then certify to the Secretary of the Treasury those claims that it finds to be valid, for payment out of the claims fund established under the Claims Settlement Agreement.

The Commission will administer this claims adjudication program in accordance with its regulations, which are published in Chapter V of Title 45, Code of Federal Regulations (45 CFR 500 *et seq.*). In particular, attention is directed to 45 CFR 500.3(a), which limits the amount of attorney’s fees that may be charged for legal representation before the Commission pursuant to 22 U.S.C. 1623(f). These regulations are also available at <http://www.gpoaccess.gov/cfr/index.html>.

Approval has been obtained from the Office of Management and Budget for the collection of this information.

¹ For purposes of this referral, “Iraq” shall mean the Republic of Iraq, the Government of the Republic of Iraq, any agency or instrumentality of the Republic of Iraq, and any official, employee or agent of the Republic of Iraq acting within the scope of his or her office, employment or agency.

² Hostage-taking, in this instance, would include unlawful detention by Iraq that resulted in an inability to leave Iraq or Kuwait after Iraq invaded Kuwait on August 2, 1990.

³ The payment already received by the claimant under the Claims Settlement Agreement compensated the claimant for his or her experience for the entire duration of the period in which the claimant was held hostage or was subject to unlawful detention and encompassed physical, mental, and emotional injuries generally associated with such captivity or detention.
