

U.S.C. App. 2 § 10(d) and vested in me by Treasury Department Order No. 101-05, that the closed portions of the meeting are concerned with discussions of the issues presented to the Committee by the Secretary and recommendations of the Committee to the Secretary, pursuant to Pub. L. 103-202, § 202(c)(1)(B). Thus, this information is exempt from disclosure under that provision and 5 U.S.C. 552b(c)(3)(B). In addition, the closed portions of the meeting are concerned with information that is exempt from disclosure under 5 U.S.C. 552b(c)(9)(A). The public interest requires that such meetings be closed to the public because the Treasury Department requires frank and full advice from representatives of the financial community prior to making its final decision on major financing operations. Historically, this advice has been offered by debt management advisory committees established by the several major segments of the financial community. When so utilized, such a committee is recognized to be an advisory committee under 5 U.S.C. App. 2, 3.

Although the Treasury's final announcement of financing plans may not reflect the recommendations provided in reports of the advisory committee, premature disclosure of the committee's deliberations and reports would be likely to lead to significant financial speculation in the securities market. Thus, these meetings fall within the exemption covered by 5 U.S.C. 552b(c)(9)(A).

The Office of Financial Markets is responsible for maintaining records of debt management advisory committee meetings and for providing annual reports setting forth a summary of committee activities and such other matters as may be informative to the public consistent with the policy of 5 U.S.C. 552b. The Designated Federal Officer or other responsible agency official who may be contacted for additional information is Paul Malvey, Director, Office of Market Finance at 202-622-2630.

Dated: April 8, 2002.

Brian C. Roseboro,

Assistant Secretary, Financial Markets.
