

Revenue Procedure Number: Revenue Procedure 98–32.

Abstract: This revenue procedure provides information about the Electronic Federal Tax Payment System (EFTPS) programs for Batch Filers and Bulk Filers (Filers). EFTPS is an electronic remittance processing system for making federal tax deposits (FTDs) and federal tax payments (FTPs). The Batch Filer and Bulk Filer programs are used by Filers for electronically submitting enrollments, FTDs, and FTPs on behalf of multiple taxpayers.

Current Actions: The number of Bulk and Batch filers participating in the EFTPS has increased due to two factors. First, the Service eliminated its magnetic tape program for the reporting of federal tax deposits and certain estimated income tax payments effective with respect to deposits or payments made after January 31, 2000. Secondly, the number of taxpayers required by the regulations issued under § 6302(h) of the Code to make FTDs using EFTPS has increased.

Type of Review: Revision of a currently approved collection.

Affected Public: Business or other for-profit organizations.

Estimated Number of Respondents: 1,500.

Estimated Time Per Respondent: 82 hours, 23 minutes.

Estimated Total Annual Burden Hours: 123,567.

The following paragraph applies to all of the collections of information covered by this notice:

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless the collection of information displays a valid OMB control number. Books or records relating to a collection of information must be retained as long as their contents may become material in the administration of any internal revenue law. Generally, tax returns and tax return information are confidential, as required by 26 U.S.C. 6103.

Request for Comments: Comments submitted in response to this notice will be summarized and/or included in the request for OMB approval. All comments will become a matter of public record. Comments are invited on: (a) Whether the collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimate of the burden of the collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; (d) ways to minimize the burden of the collection of

information on respondents, including through the use of automated collection techniques or other forms of information technology; and (e) estimates of capital or start-up costs and costs of operation, maintenance, and purchase of services to provide information.

Approved: May 11, 2001.

Electronic Tax Administration Advisory Committee; Open Meeting

AGENCY: Internal Revenue Service (IRS), Treasury.

ACTION: Notice of open meeting of the Electronic Tax Administration Advisory Committee (ETAAC).

SUMMARY: In 1998 the IRS established the Electronic Tax Administration Advisory Committee (ETAAC). The primary purpose of ETAAC is to provide an organized public forum for discussion of electronic tax administration issues in support of the overriding goal that paperless filing should be the preferred and most convenient method of filing tax and information returns. ETAAC offers constructive observations about current or proposed policies, programs, and procedures, and suggests improvements.

There will be a meeting of ETAAC on Thursday, May 31, 2001. The meeting will be held in the Ritz Carlton Pentagon City, 1250 South Hayes Street, Arlington, VA. A summarized version of the agenda along with a list of topics that are planned to be discussed are listed below.

SUPPLEMENTARY INFORMATION: ETAAC reports to the Director, Electronic Tax Administration, who is the executive responsible for the electronic tax administration program. Increasing participation by external stakeholders in the development and implementation of the Internal Revenue Service' (IRS') strategy for electronic tax administration will help achieve the goal that paperless filing should be the preferred and most convenient method of filing tax and information returns. ETAAC members are not paid for their time or services, but consistent with Federal regulations, they are reimbursed for their travel and lodging expenses to attend the public meetings, working sessions, and an orientation each year.
