Comments are requested concerning: Whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; the accuracy of the Commission's burden estimate; ways to enhance the quality, utility, and clarity of the information collected; ways to minimize the burden of the collection of information on the respondents, including the use of automated collection techniques or other forms of information technology; and ways to further reduce the information collection burden on small business concerns with fewer than 25 employees. The FCC may not conduct or sponsor a collection of information unless it displays a currently valid Office of Management and Budget (OMB) control number. No person shall be subject to any penalty for failing to comply with a collection of information subject to the PRA that does not display a valid OMB control number.

**SUPPLEMENTARY INFORMATION:** This notice announces changes to the maximum amount of each civil money penalty (CMP) within the Federal Deposit Insurance Corporation’s (FDIC) jurisdiction to administer to account for inflation under the Federal Civil Penalties Inflation Adjustment Act of 1990 (1990 Adjustment Act),<sup>1</sup> as amended by the Federal Civil Penalties Inflation Adjustment Act Improvements Act of 2015 (2015 Adjustment Act).<sup>2</sup> Under the 1990 Adjustment Act, as amended, federal agencies must make annual adjustments to the maximum amount of each CMP the agency administers. The Office of Management and Budget (OMB) is required to issue guidance to federal agencies no later than December 15 of each year providing an inflation-adjustment multiplier (*i.e.*, the inflation-adjustment factor agencies must use) applicable to CMPs assessed in the following year.

On December 16, 2019, the OMB issued guidance to affected agencies on implementing the required annual adjustment, which guidance included the relevant inflation multiplier.<sup>4</sup> The FDIC has applied that multiplier to the maximum CMPs allowable in 2019 for FDIC-supervised institutions to calculate the maximum amount of CMPs that may be assessed by the FDIC in 2020.<sup>5</sup> There were no new statutory CMPs administered by the FDIC during 2019.

The following charts provide the inflation-adjusted maximum CMP amounts for use after January 15, 2020—the effective date of the 2020 annual adjustments—under 12 CFR part 308, for conduct occurring on or after November 2, 2015:
