Agriculture Risk Coverage and Price Loss Coverage Programs; Correction

AGENCY: Commodity Credit Corporation and Farm Service Agency, USDA.

ACTION: Final rule; correction and correcting amendment.

SUMMARY: The Commodity Credit Corporation (CCC) is correcting a final rule that was published in the **Federal Register** on September 3, 2019, which revised the Agriculture Risk Coverage (ARC) and Price Loss Coverage (PLC) Programs. That document inadvertently failed to include the relevant counties in Nebraska that have been established as having a history of double-cropping covered commodities or peanuts with fruits, vegetables, or wild rice and incorrectly listed the previous Regulation Identifier Number (RIN).

DATES: *Effective:* October 8, 2019.

SUPPLEMENTARY INFORMATION:**Correction to Preamble**

In the published final rule beginning on page 45877, in the 3rd column, in the **Federal Register** of Monday, September 3, 2019 (84 FR 45877-45895), correct the “RIN” heading to read: RIN 0560-AI45.

Correcting Amendment to Regulations

In addition, the final rule inadvertently omitted the list of counties for Nebraska in 7 CFR 1412.46(f). The listing of counties in § 1412.46(f) specifies which counties have been determined to be regions having a history of double-cropping covered commodities or peanuts with fruits, vegetables, or wild rice. The FSA State committees establish the counties as regions within their respective States. During the development of the final rule, the list of counties for Nebraska was intended to be added as: Box Butte,

Dawes-North Sioux, Morrill, and Sheridan. Instead, the final rule did not list any counties in Nebraska. This correction adds the list of Nebraska counties.

Real Estate Appraisals

AGENCY: Office of the Comptroller of the Currency, Treasury (OCC); Board of Governors of the Federal Reserve System (Board); and Federal Deposit Insurance Corporation (FDIC).

ACTION: Final rule.

SUMMARY: The OCC, Board, and FDIC (collectively, the agencies) are adopting a final rule to amend the agencies’ regulations requiring appraisals of real estate for certain transactions. The final rule increases the threshold level at or below which appraisals are not required for residential real estate transactions from \$250,000 to \$400,000. The final rule defines a residential real estate transaction as a real estate-related financial transaction that is secured by a single 1-to-4 family residential property. For residential real estate transactions exempted from the appraisal requirement as a result of the revised threshold, regulated institutions must obtain an evaluation of the real property collateral that is consistent with safe and sound banking practices. The final rule makes a conforming change to add to the list of exempt transactions those transactions secured by residential property in rural areas that have been exempted from the agencies’ appraisal requirement pursuant to the Economic Growth, Regulatory Relief, and Consumer Protection Act. The final rule requires evaluations for these exempt transactions. The final rule also amends the agencies’ appraisal regulations to require regulated institutions to subject appraisals for federally related transactions to appropriate review for compliance with the Uniform Standards of Professional Appraisal Practice.
