SUPPLEMENTARY INFORMATION:

I. Background

In the **Federal Register** of October 10, 2003 (68 FR 58974), FDA issued an interim final rule to implement section 307 of the Bioterrorism Act. The prior notice regulations require, beginning on December 12, 2003, notification to FDA before food (including animal feed) is imported or offered for import into the United States. This guidance responds to questions raised about the interim final rule on prior notice, and it is intended to help the industry better understand and comply with the regulations.

FDA is issuing the guidance entitled “Prior Notice of Imported Food, Questions and Answers” as a Level 1 guidance. Consistent with FDA’s good guidance practices regulation (21 CFR 10.115), the agency will accept comment, but it is implementing the guidance document immediately, in accordance with § 10.115(g)(2), because the agency has determined that prior public participation is not feasible or appropriate. FDA is under a strict statutory deadline in which to implement these regulations.

II. Comments
