The Freedom of Information/Privacy Act Records Request for Background Investigations form, is an information collection completed by individuals submitting Freedom of Information Act (FOIA), Privacy Act, and Amendment record requests to DCSA's Freedom of Information and Privacy (FOI/P) Office for Investigations. DCSA's FOIP Office for Investigations utilizes the Freedom of Information/Privacy Act Records Request for Background Investigations to standardize collection of data

elements specific to the types of record requests. Current record requests can be submitted to DCSA FOIP Office for Investigations in a format chosen by the requester. Often, requests are missing data elements which require contact with the requester, thereby adding time to the process. Standardization of the process will increase the volume of perfected requests received and strike an appropriate balance between the burden to the public in submitting a request and the DCSA FOIP Office for Investigations being able to fulfill FOIA, Privacy Act, and Amendment requests in an efficient manner.
