

7. Tech Leasing & Rebuild, Inc.

[Docket No. M-2005-025-C]

Tech Leasing & Rebuild, Inc., R. Rt. 1, Box 48C, Pounding Mill, Virginia 24637 has filed a petition to modify the application of 30 CFR 75.1710-1(4) (Canopies or cabs; self-propelled diesel-powered and electric face equipment; installation requirements) to its Mine #1 (MSHA I.D. No. 44-06859) located in Tazewell County, Virginia. The Tech Leasing & Rebuild, Inc., Mine #1 is developing the War Creek coal seam located North of Rt. 628 on Indian Creek. The petitioner proposes to operate mobile face equipment without canopies or cabs when the mining height is 48 inches or less. The petitioner states that mining height at the Mine #1 averages between 37" to 45" with localized dips and elevation changes in the mine floor; and the mining height with the dips and changes in elevation have created conditions in which mining equipment with canopies and cabs have dislodged roof bolts and limits visibility for equipment operators. The petitioner asserts that application of the existing standard would result in a diminution of safety to the miners.

BILLING CODE 7537-01-P

NATIONAL FOUNDATION ON THE ARTS AND THE HUMANITIES**National Endowment for the Arts; Determination of the Chairman of the National Endowment for the Arts as to Certain Advisory Committees: Public Disclosure of Information and Activities**

The National Endowment for the Arts utilizes advice and recommendations of advisory committees in carrying out many of its functions and activities.

The Federal Advisory Committee Act, as amended (Pub. L. 92-463), governs the formation, use, conduct, management, and accessibility to the public of committees formed to advise and assist the Federal Government. Section 10 of the act specifies that department and agency heads shall make adequate provisions for participation by the public in the activities of advisory committees, except to the extent a determination is made in writing by the department or agency head that a portion of an advisory committee meeting may be closed to the public in accordance with subsection (c)

of section 552b of title 5, United States Code (the Government in the Sunshine Act).

It is the policy of the National Endowment for the Arts to make the fullest possible disclosure of records to the public, limited only by obligations of confidentiality and administrative necessity. Consistent with this policy, meetings of the following Endowment advisory committees will be open to the public except for portions dealing with the review, discussion, evaluation, and/or ranking of grant applications: Arts Advisory Panel and the Federal Advisory Committee on International Exhibitions.

The portions of the meetings involving the review, discussion, evaluation and ranking of grant applications may be closed to the public for the following reasons:

The Endowment Advisory Committees listed above review and discuss applications for financial assistance. While the majority of applications received by the agency are submitted by organizations, all of the applications contain the names of and personal information relating to individuals who will be working on the proposed project. In reviewing the applications, committee members discuss the abilities of the listed individuals in their fields, the reputations of the listed individuals among their colleagues, the ability of the listed individuals to carry through on projects they start, and their background and performance. Consideration of these matters is essential to the review of the artistic excellence and artistic merit of an application.

Consequently, in the interest of meeting our obligation to consider artistic excellence and artistic merit when reviewing applications for financial assistance:

It is hereby determined in accordance with the provisions of section 10(d) of the Act that the disclosure of information regarding the review, discussion, and evaluation of applications for financial assistance as outlined herein is likely to disclose information of a personal nature the disclosure of which would constitute a clearly unwarranted invasion of personal privacy.

Therefore, in light of the above, I have determined that the above referenced meetings or portions thereof, devoted to review, discussion, evaluation, and/or ranking of applications for financial assistance may be closed to the public in accordance with subsection (c)(6) of section 552b of title 5, United States Code.

The staff of each committee shall prepare a summary of any meeting or portion not open to the public within three (3) business days following the conclusion of the meeting of the National Council on the Arts considering applications recommended by such committees. The summaries shall be consistent with the considerations that justified the closing of the meetings.

All other portions of the meetings of these advisory committees shall be open to the public unless the Chairperson of the National Endowment for the Arts or a designee determines otherwise in accordance with section 10(d) of the Act.

The Panel Coordinator shall be responsible for publication in the **Federal Register** or, as appropriate, in local media, of a notice of all advisory committee meetings. Such notice shall be published in advance of the meetings and contain:

1. Name of the committee and its purposes;
2. Date and time of the meeting, and, if the meeting is open to the public, its location and agenda; and
3. A statement that the meeting is open to the public, or, if the meeting or any portion thereof is not to be open to the public, a statement to that effect.

The Panel Coordinator is designated as the person from whom lists of committee members may be obtained and from whom minutes of open meetings or open portions thereof may be requested.

Guidelines

Any interested person may attend meetings of advisory committees that are open to the public.

Members of the public attending a meeting will be permitted to participate in the committee's discussion at the discretion of the chairperson of the committee, if the chairperson is a full-time Federal employee; if the chairperson is not a full-time Federal employee then public participation will be permitted at the chairperson's discretion with the approval of the full-time Federal employee in attendance at the meeting in compliance with the order.

Dated: April 8, 2005.

Dana Gioia,

Chairman, National Endowment for the Arts.

OMB Approval Number: 3145-0023.

Expiration Date of Approval: July 31, 2005.

Type of Request: Intent to seek approval to extend without revision and information collection for three years.

Abstract: Section 10 of the National Science Foundation Act of 1950 (42 U.S.C. 1861 *et seq.*), as amended, states that "The Foundation is authorized to award, within the limits of funds made available * * * scholarships and graduate fellowships for scientific study or scientific work in the mathematical physical, medical, biological, engineering, social, and other sciences at appropriate nonprofit American or nonprofit foreign institutions selected by the recipient of such aid, for stated periods of time."

The Foundation Fellowship Programs are designed to meet the following objectives:

- To assure that some of the Nation's most talented students in the sciences obtain the education necessary to become creative and productive scientific researchers.

- To train or upgrade advanced scientific personnel to enhance their abilities as teachers and researchers.

- To promote graduate education in the sciences, mathematics, and engineering at institutions that have traditionally served ethnic minorities.

- To encourage pursuit of advanced science degrees by students who are members of ethnic groups traditionally under-represented in the Nation's advanced science personnel pool

The list of fellowship award programs sponsored by the Foundation may be found via FastLane through the NSF Web site: <http://www.fastlane.nsf.gov>.

Estimate of Burden: These are annual award programs with application deadlines varying according to the fellowship program. Public burden may also vary according to program, however it is estimated that each submission is averaged to be 12 hours per respondent.

Respondents: Individuals.

Estimated Number of Responses: 5,000.

Estimated Total Annual Burden on Respondents: 60,000 hours.

Frequency of Responses: Annually.

Comments: Comments are invited on (a) whether the proposed collection of information is necessary for the proper performance of the functions of the Agency, including whether the information shall have practical utility; (b) the accuracy of the Agency's estimate of the burden of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information on respondents, including through the use of automated collection techniques or other forms of information technology; (d) ways to minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology.

Dated: April 17, 2005.
