

would enable an assessment of whether any changes identified in individual and contextual risk and protective factors in the intervention group differ from those in the comparison group. The process evaluation will describe in detail each IO's program, how it was delivered, and factors that may have influenced the success of the program's implementation. Process evaluation data

are necessary for the interpretation of outcome findings and to inform efforts to improve program implementation. Depending on their performance on measures of reliability and validity, the baseline and follow-up questionnaires may be made available to organizations planning to evaluate curricula that are aligned with the SMARTool.

Likely Respondents: Respondents will include participants in each of the IOs' SRA programs (9th or 10th grade youth), their parent(s), program facilitators, representatives of schools participating in the program (e.g., school principals), and school or school district administrative staff.

Meeting of the National Vaccine Advisory Committee

AGENCY: National Vaccine Program Office, Office of the Assistant Secretary for Health, Office of the Secretary, Department of Health and Human Services.

ACTION: Notice.

SUMMARY: As stipulated by the Federal Advisory Committee Act, the Department of Health and Human Services (HHS) is hereby giving notice that a meeting is scheduled to be held of the National Vaccine Advisory Committee (NVAC). The meeting will be open to the public via teleconference; a public comment session will be held during the meeting.

DATES: The meeting will be held on Monday, March 25, 2019. The confirmed meeting times and agenda will be posted on the NVAC website at <http://www.hhs.gov/nvpo/nvac/meetings/index.html> as soon as they become available.

ADDRESSES: Instructions regarding attending this meeting will be posted one week prior to the meeting at: <http://www.hhs.gov/nvpo/nvac/meetings/index.html>. Pre-registration is required for members of the public who wish to attend the meeting and who wish to participate in the public comment session. Individuals who wish to attend the meeting and/or participate in the public comment session should register at <http://www.hhs.gov/nvpo/nvac/meetings/index.html>.

FOR FURTHER INFORMATION CONTACT: Ann Aikin, Acting Designated Federal Officer, at the National Vaccine Program Office, U.S. Department of Health and Human Services, Room 715H, Hubert H. Humphrey Building, 200 Independence Avenue SW, Washington, DC 20201. Phone: (202) 690-5566; email: nvac@hhs.gov.

SUPPLEMENTARY INFORMATION: Pursuant to Section 2101 of the Public Health Service Act (42 U.S.C. 300aa-1), the Secretary of HHS was mandated to establish the National Vaccine Program to achieve optimal prevention of human infectious diseases through immunization and to achieve optimal prevention against adverse reactions to vaccines. The NVAC was established to provide advice and make recommendations to the Director of the National Vaccine Program on matters related to the Program's responsibilities. The Assistant Secretary for Health serves as Director of the National Vaccine Program.

During the March 2019 NVAC meeting, sessions will consist of presentations on reducing disparities, removing barriers to adult immunization, and reducing financial burdens to vaccination. Please note that agenda items will be related to the charge of the Committee and are subject to change as priorities dictate. Information on the final meeting agenda will be posted prior to the meeting on

the NVAC website: <http://www.hhs.gov/nvpo/nvac/index.html>.

Members of the public will have the opportunity to provide comments at the NVAC meeting during the public comment periods designated on the agenda. Public comments made during the meeting will be limited to three minutes per person to ensure time is allotted for all those wishing to speak. Individuals are also welcome to submit their written comments. Written comments should not exceed three pages in length. Individuals submitting written comments should email their comments to the National Vaccine Program Office (nvac@hhs.gov) at least five business days prior to the meeting.

Ann Aikin,

Acting Designated Federal Officer.

SUPPLEMENTARY INFORMATION: Interested persons are invited to send comments regarding this burden estimate or any other aspect of this collection of information, including any of the following subjects: (1) The necessity and utility of the proposed information collection for the proper performance of the agency's functions; (2) the accuracy of the estimated burden; (3) ways to enhance the quality, utility, and clarity of the information to be collected; and (4) the use of automated collection techniques or other forms of information technology to minimize the information collection burden.

Title of the Collection: Cross-Site Evaluation on the Women's Health College Sexual Assault Policy and Prevention Initiative.

Type of Collection: New.

OMB No.: 0990-College Sexual Assault Policy; Office of Women's Health within OS.

Abstract: The Office of Women's Health is seeking an approval by OMB on a new information collection, Cross-Site Evaluation on the Women's Health College Sexual Assault. The purpose of this data collection is to gather qualitative data across the nine grantee organizations and partners via interviews to gain a full understanding of grantee and partner perceived success over the course of the three-year project;

grantee and partner experiences with the initiative; barriers and facilitators to project implementation; sustainability of grantee efforts; and anecdotal or other evidence of reductions in campus sexual violence. Interviews conducted with individuals representing the grantee organizations and campus partners, and will occur once per respondent in the spring of 2019.

The CDC estimates that 23 million women have experienced completed or attempted rape in their lifetimes. (National Intimate Partner and Sexual Violence Survey, <https://www.cdc.gov/mmwr/preview/mmwrhtml/ss6308a1.htm>). A September 2015 Association of American Universities (AAU) survey of 150,000 students across 27 colleges and universities indicated that 23% of female undergraduate students reported experiencing sexual assault since enrolling in college (AAU Campus Climate Survey on Sexual Assault and Sexual Misconduct, <https://www.aau.edu/sites/default/files/%40%20Files/Climate%20Survey/Executive%20Summary%2012-14-15.pdf>).

The College Sexual Assault Policy, and Prevention Initiative of the Department of Health and Human Services, Office of Women's Health, has three main goals: (1) Disseminate sexual assault policy and prevention information to organizations in a position to influence and implement policies and practices at post-secondary schools; (2) provide technical assistance to post-secondary schools to establish policies and practices that prevent sexual assault; and (3) assess the success of policy establishment and sustained prevention strategies enacted by partnering organizations and post-secondary schools.
