

Intra-Market Competition

The Exchange's proposal to amend the way it calculates qualifying Combined QCC Orders for purposes of paying a QCC Rebate does not impose an undue burden on competition. The Exchange uniformly would apply the proposed QCC tier qualification to all market participants when paying QCC rebates on Combined QCC Orders for all qualifying transactions executed on Phlx.

Amending rule text within Options 7, Section 4 to add the word "electronic" before QCC Orders in several places within Options 7, Section 4, where the reference applies to QCC Orders as defined in Options 3, Section 12, does not impose an undue burden on competition because the amendments will bring additional clarity to the rule text.
