

for workers of Power One in Boston, Massachusetts. Findings show that workers of the subject firm produced DC/DC power supplies.

The certification review revealed that workers of Power One are covered by an existing certification, NAFTA-5138, issued on October 4, 2001. While that certification noted that Power One workers were located in Allston, Massachusetts, the Department has learned that Allston is used synonymously with Boston.

Since the workers of Power One, located in Boston, Massachusetts, also known as Allston, Massachusetts, are covered by an existing certification, the continuation of this certification would serve no purpose and the certification has been terminated.

Signed at Washington, DC, this 13th day of March 2003.

Richard Church,

Certifying Officer, Division of Trade Adjustment Assistance.
