SUPPLEMENTARY INFORMATION:

Title of Collection: Joint Standards for Assessing the Diversity Policies and Practices.

OMB Control Number: 3170-0060.

Type of Review: Extension without change of a currently approved information collection.

Affected Public: Businesses and other for-profit entities.

Estimated Number of Respondents: 750.

Estimated Total Annual Burden Hours: 9,000.

Abstract: Section 342 of the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 (Act) required the Office of the Comptroller of the Currency (OCC), Board of Governors of the Federal Reserve System (Board), Federal Deposit Insurance Corporation (FDIC), Bureau of Consumer Financial Protection (Bureau) and Securities and Exchange Commission (SEC) (together, Agencies and separately, Agency) each to establish an Office of Minority and Women Inclusion (OMWI) to be responsible for all matters of the Agency relating to diversity in management, employment, and business activities. The Act also instructed each OMWI Director to develop standards for assessing the diversity policies and practices of entities regulated by the Agency. The Agencies worked together to develop joint standards (Joint Standards) and, on June 10, 2015, they jointly published in the **Federal Register** the "Final Interagency Policy Statement Establishing Joint Standards for Assessing the Diversity Policies and Practices of Entities Regulated by the Agencies" (Policy Statement). The Agencies will use the information provided to them to monitor progress and trends in the financial services industry with regard to diversity and inclusion in employment and contracting activities, as well as to

identify and highlight those policies and practices that have been successful. The primary federal financial regulator will share information with other agencies, when appropriate, to support coordination of efforts and to avoid duplication. The Agencies may publish information disclosed to them, such as best practices, in any form that does not identify a particular entity or individual or disclose confidential business information. This is a routine request for OMB to renew its approval of the collections of information currently approved under this OMB control number.

Request for Comments: The Bureau issued a 60-day **Federal Register** notice on February 4, 2019, 84 FR 1429, Docket Number: CFPB-2019-0001. Comments were solicited and continue to be invited on: (a) Whether the collection of information is necessary for the proper performance of the functions of the Bureau, including whether the information will have practical utility; (b) The accuracy of the Bureau's estimate of the burden of the collection of information, including the validity of the methods and the assumptions used; (c) Ways to enhance the quality, utility, and clarity of the information to be collected; and (d) Ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Comments submitted in response to this notice will be reviewed by OMB as part of its review of this request. All comments will become a matter of public record.

Dated: April 17, 2019.

Darrin A. King,

Paperwork Reduction Act Officer, Bureau of Consumer Financial Protection.
