#### Pivotal Utility Holdings, Inc. d/b/a Elkton Gas; Notice of Application

Take notice that on May 4, 2012, Pivotal Utility Holdings, Inc. d/b/a Elkton Gas (Elkton Gas), 125 B East High Street, Elkton, Maryland 21921, filed an abbreviated application pursuant to Section 7(f) of the Natural Gas Act (NGA) and Part 157 of the Commission's Regulations seeking a service area determination to include 744 feet of pipe and appurtenant facilities extended from Maryland border into Delaware. Elkton Gas also requests: (i) A finding that Elkton Gas continues to qualify as a local distribution company (LDC) in Maryland, for purposes of section 311 of the Natural Gas Policy Act of 1978 (NGPA); and (ii) a waiver of the Commission's accounting and reporting requirements and other regulatory requirements ordinarily applicable to natural gas companies under the NGA and NGPA. The filing may also be viewed on the Web at <http://www.ferc.gov> using the "eLibrary" link. Enter the docket number excluding the last three digits in the docket number field to access the document. In early 2012, Elkton Gas has determined that its Maryland LDC system includes 744 feet of pipe and appurtenant facilities crossing Maryland/Delaware border in order to reach a gate station owned and operated by Eastern Shore Natural Gas Company (Eastern Shore), known as the North Gate Station. Elkton Gas does not provide service in Delaware and is not subject to regulation by the Delaware Public Service Commission. Elkton Gas

does not contemplate any changes in its operations as a result of this change in regulatory status. The purpose of owning facilities in Delaware is to bring gas to Maryland to serve Elkton Gas' customers in Maryland.
