

organization the attendee is representing.

2. The name of the regulatory action under review on which the party would like to present its views.

3. Electronic copies of all of briefing materials that will be used during the presentation.

4. An acknowledgment by the requesting party that all information submitted to OIRA pursuant to this collection and meeting request will be made publically available at *Reginfo.gov*.

Additionally the contact information (phone number and email) for the requesting organization will also be collected in order to confirm the meeting with them, but will not be posted. This revision includes allowing outside parties to provide the information to OIRA through an electronic online form.

This revision to the information collection will streamline the current process for outside parties when requesting a meeting and will ensure transparency and accuracy of the docket that OIRA keeps in accordance with the disclosure provisions of Executive Order 12866. OIRA welcomes any and all public comments on the proposed collection of information such as the accuracy of OIRA's burden estimate, the practical utility of collecting this information, and whether there are additional pieces of information that could be collected from meeting requestors to further the disclosure provisions of Executive Order 12866.

Current actions: Proposal for revising an existing information collection requirement.

Type of review: Revision.

Affected public: Individuals and Households, Businesses and Organizations, State, Local or Tribal Governments.

Expected average annual number of respondents: 200.

Average annual number of responses per respondent: 2.

Total number of responses annually: 400.

Burden per response: 30 minutes.

Total average annual burden: 200 hours.

Request for comments: OMB anticipates that comments submitted in response to this notice will be summarized and/or included in the request for OMB approval. Comments are invited on: (a) Whether the collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimate of the burden of the

collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology; and (e) estimates of capital or start-up costs and costs of operation, maintenance, and purchase of services to provide information. Burden means the total time, effort, or financial resources expended by persons to generate, maintain, retain, disclose or provide information to or for a Federal agency. This includes the time needed to review instructions; to develop, acquire, install, and utilize technology and systems for the purpose of collecting, validating, and verifying information, processing and maintaining information, and disclosing and providing information; to train personnel and to be able to respond to a collection of information, to search data sources, to complete and review the collection of information; and to transmit or otherwise disclose the information.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

Dominic J. Mancini,
Deputy Administrator.
