

producers individually investigated are determined entirely under section 776 of the Act, the Department may use any reasonable method to establish an "all others" rate for exporters and producers not individually investigated. In this case, although the rate for the only investigated company is based entirely on facts available under section 776 of the Act, there is no other information on the record upon which we could determine an "all others" rate. As a result, we have used the rate for TK as the "all others" rate.

Exporter/Manufacturer	Net Subsidy Rate
PT. Pabrik Kertas Tjiwi Kimia Tbk	40.55 percent
All Others	40.55 percent

As a result of our *Preliminary Determination* and pursuant to section 703(d) of the Act, we instructed the CBP to suspend liquidation of all entries of certain lined paper products from Indonesia which were entered or withdrawn from warehouse, for consumption on or after February 13, 2006, the date of the publication of the *Preliminary Determination* in the **Federal Register**. In accordance with section 703(d) of the Act, we instructed CBP to discontinue the suspension of liquidation for subject merchandise for countervailing duty purposes entered on or after June 13, 2006, but to continue the suspension of liquidation of entries made from February 13, 2006, through June 12, 2006.

We will issue a countervailing duty order and reinstate the suspension of liquidation under section 706(a) of the Act if the ITC issues a final affirmative injury determination, and will require a cash deposit of estimated countervailing duties for such entries of merchandise in the amounts indicated above. If the ITC determines that material injury, or threat of material injury, does not exist, this proceeding will be terminated and all estimated duties deposited or securities posted as a result of the suspension of liquidation will be refunded or canceled.

ITC Notification

In accordance with section 705(d) of the Act, we will notify the ITC of our determination. In addition, we are making available to the ITC all non-privileged and non-proprietary information related to this investigation. We will allow the ITC access to all privileged and business proprietary information in our files, provided the ITC confirms that it will not disclose such information, either publicly or under an Administrative Protective

Order (APO), without the written consent of the Assistant Secretary for Import Administration.

Return or Destruction of Proprietary Information

In the event that the ITC issues a final negative injury determination, this notice will serve as the only reminder to parties subject to an APO of their responsibility concerning the destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Failure to comply is a violation of the APO.

This determination is published pursuant to sections 703(f) and 777(i) of the Act.

Dated: August 9, 2006.

Joseph A. Spetrini,

Acting Assistant Secretary for Import Administration.
