This notice also lists the following information:

Title of Proposal: Management Operations Certification.

OMB Control Number: 2535-0106.

Description of the need for the information and proposed use: To meet the requirements of the PHAS rule, the Department has developed the management operations template that PHAs use to annually submit specific management information to HUD electronically. HUD uses the management operations information it collects from each PHA to assist in the evaluation and assessment of the PHAs overall condition. Requiring PHAs to report electronically has enabled HUD to provide a more comprehensive assessment of the PHAs receiving federal funds from HUD.

Estimation of the total number of hours needed to prepare the information collection including number of respondents, frequency of response, and hours of response: Management Operations Certification: 3,169 PHAs; annual submission per PHA; average hours for PHA response is 1.9 hours; the total reporting burden is 6,202.5 hours.

Status of the proposed information collection: Extension of a currently approved collection.

Authority: Section 3506 of the Paperwork Reduction Act of 1995, 44 U.S.C. chapter 35, as amended.

Dated: August 20, 2003.
