Changes Since the Preliminary Results

Based on our analysis of the record and comments received, we have made no changes to the preliminary results net subsidy rates.

Final Results of Reviews

In accordance with 19 CFR 351.221(b)(4)(i), we calculated an individual subsidy rate for each producer/exporter subject to this review. For the period January 1, 2002, through December 31, 2002, we determine the net subsidy rate for the reviewed companies to be as follows:

NET SUBSIDY RATE: PURE MAGNESIUM

Manufacturer/exporter	Percent
Norsk Hydro Canada, Inc.	1.07

NET SUBSIDY RATE: ALLOY MAGNESIUM

Manufacturer/exporter	Percent
Norsk Hydro Canada, Inc.	1.07
Magnola Metallurgy, Inc.	1.84

Assessment Rates

The Department will issue appropriate assessment instructions directly to U.S. Customs and Border Protection ("CBP") within 15 days of publication of these final results of reviews. As requested by NHCI on October 17, 2003, pursuant to 19 U.S.C. 1516a(g)(5)(c)(i), the Department will not order the liquidation of entries of pure or alloy magnesium from Canada

exported by NHCI on or after January 1, 2002, through December 31, 2002, pending final disposition of dispute settlement proceedings under NAFTA (USA/CDA-00-1904-09 (panel) and ECC-2003-1904-01 USA, respectively) with respect to *Pure and Alloy Magnesium From Canada; Final Results of Full Sunset Review*, 65 FR 41436 (July 5, 2000). Liquidation of NHCI entries will occur at the rates described in these final results of reviews, if appropriate, following the final disposition of the previously mentioned NAFTA dispute settlement proceedings.

Cash Deposit Instructions

The Department will instruct CBP to collect cash deposits of estimated countervailing duties in the percentages detailed above of the f.o.b. invoice value on all shipments of the subject merchandise from NHCI and Magnola entered, or withdrawn from warehouse, for consumption on or after the date of publication of the final results of these administrative reviews.

We will instruct CBP to continue to collect cash deposits for non-reviewed companies at the most recent company-specific or country-wide rate applicable to the company (except Timminco Limited, which was excluded from the countervailing duty orders on pure magnesium and alloy magnesium from Canada (*See Countervailing Duty Orders: Pure Magnesium and Alloy Magnesium from Canada*, 57 FR 39392 (August 31, 1992)). Accordingly, the cash deposit rate that will be applied to non-reviewed companies covered by the orders is that established in *Pure and Alloy Magnesium From Canada: Final Results of the Second (1993) Countervailing Duty Administrative Reviews*, 62 FR 48607 (September 16, 1997) or the company-specific rate published in the most recent final results of an administrative review in which a company participated. These rates shall apply to all non-reviewed companies until a review of a company assigned these rates is requested.

This notice serves as a reminder to parties subject to administrative protective order ("APO") of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and the terms of an APO is a sanctionable violation.

These administrative reviews and notice are in accordance with section 751(a)(1) of the Act.

SUPPLEMENTARY INFORMATION:

I. Abstract

The Magnuson-Stevens Fishery Conservation and Management Act authorizes the establishment of Regional Fishery Management Councils to exercise sound judgment in the stewardship of fishery resources through the preparation, monitoring,

and revision of such fishery management plans under circumstances (a) which will enable the States, the fishing industry, consumers, environmental organizations, and other interested persons to participate in the development of such plans, and (b) which take into account the social and economic needs of fishermen and dependent communities. Section 302(j) of the Act also requires that Council members disclose their financial interest in any Council fishery. These interests include harvesting, processing, or marketing activity that is being, or will be, undertaken within any fishery over which the Council concerned has jurisdiction.

The Act further provides that a member shall not vote on a Council decision that would have a significant and predictable effect on a financial interest if there is a close causal link between the Council decision and an expected and substantially disproportionate benefit to the financial interest of the affected individual relative to the financial interest of other participants in the same gear type or sector of the fishery. However, an affected individual who is declared ineligible to vote on a Council action may participate in Council deliberations relating to the decision after notifying the Council of his/her recusal and identifying the financial interest that would be affected.

II. Method of Collection

Respondents submit paper forms. With the exception of the Tribal Government nominees, Council nominees for appointment must provide and file a financial interest form as prescribed by the Secretary prior to the date of appointment. Seated Council members appointed by the Secretary, including the Tribal Government appointees, must file a financial interest form within 45 days of taking office and must file an update of their statements within 30 days of the time any such financial interest is acquired or substantially changed.

I. Abstract

An international system exists to use satellites to detect and locate ships, aircraft, or individuals in distress if they are equipped with an emergency radio beacon. Persons purchasing a digital distress beacon, operating with a U.S. country code and in the frequency range of 406.010 to 406.100 MHz, must register it with NOAA. The data provided by registration can assist in identifying who is in trouble and in suppressing false alarms.
