

Environmental review of the EIS will be conducted in accordance with the requirements of NEPA, its implementing regulations (40 CFR 1500–1508), other applicable regulations, and our procedures for compliance with those regulations. We furnish this notice in accordance with 40 CFR 1501.7 and 1508.22 to obtain suggestions and information from other agencies and the public on the scope of issues and alternatives they believe need to be addressed in the EIS. We invite comments from interested parties to ensure that the full range of issues related to the proposed permit application is identified.

Public Comments

We are requesting information from other interested government agencies, Native American Tribes, the scientific community, industry, or other interested parties concerning the following areas of analysis: Vegetation, Wildlife and Aquatic Resources, Special Status Species, U.S. Wetlands and Waters, Archeology, Architectural History, Sites of Religious and Cultural Significance to Tribes, Noise and Vibration, Visual Resources and Aesthetics, Economics and Socioeconomics, Environmental Justice, Air Quality (including greenhouse gas emissions and climate change), Geology and Soil, Land Use, Transportation, Infrastructure and Utilities, Hazardous Materials and Solid Waste Management, and Human Health and Safety.

Please note that submissions merely stating support for, or opposition to, the action under consideration without providing supporting information, although noted, will not provide information useful in determining the issues and the impacts to the human environment in the draft EIS. The public will also have a chance to review and comment on the draft EIS when it is available (a notice of availability will be published in the **Federal Register**).

You may submit your comments and materials by one of the methods described above under the **ADDRESSES** section at the beginning of this notice. Written comments will also be accepted at the public meetings, although these public meetings are primarily intended to provide additional information and provide a chance for the public to ask specific questions concerning the proposed HCP and EIS.

Public Availability of Comments

Written comments we receive become part of the public record associated with this action. Before including your address, phone number, email address, or other personal identifying

information in your comment, you should be aware that the entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so. We will not consider anonymous comments. All submissions from organizations or businesses, and from individuals identifying themselves as representatives or officials of organizations or businesses, will be made available for public disclosure in their entirety.

Authority

We provide this notice under section 10(c) of the ESA (16 U.S.C. 1531 et seq.) and its implementing regulations (50 CFR 17.22) and the National Environmental Policy Act (42 U.S.C. 4721 et seq.) and its implementing regulations (40 CFR 1506.6).

Joy E. Nicholopoulos,

Acting Regional Director, Southwest Region, Albuquerque, New Mexico.
