

DEPARTMENT OF AGRICULTURE**Natural Resources Conservation Service**

[Docket ID NRCS–2024–0012]

Proposed Revisions to the National Handbook of Conservation Practices for the Natural Resources Conservation Service

AGENCY: Natural Resources Conservation Service, Department of Agriculture (USDA).

ACTION: Notice of availability; request for comments; Reopening of comment period.

SUMMARY: The Natural Resources Conservation Service (NRCS) is reopening the comment period for 30 days due to impacts of recent hurricanes to allow the public to provide comments on the specified conservation practice standards to be revised in the National Handbook of Conservation Practices (NHCP) published on September 24, 2024.

DATES: The comment period for the Notice of availability, request for comments published on September 24, 2024, at 89 FR 77811 is reopened. We will consider comments that we receive by November 24, 2024.

ADDRESSES: We invite you to submit comments in response to this notice. You may submit your comments through one of the methods below:

- *Federal eRulemaking Portal:* Go to <http://www.regulations.gov> and search for Docket ID NRCS–2024–0012. Follow the online instructions for submitting comments; or

- *Mail or Hand Delivery:* Mr. J'Que C. Jones, National Agricultural Engineer, Conservation Engineering Division, NRCS, USDA, 1400 Independence Avenue, South Building, Room 4649, Washington, DC 20250. In your comment, please specify the Docket ID NRCS–2024–0012.

All comments received will be made publicly available on <http://www.regulations.gov>.

The copies of the proposed revised standards are available through <http://www.regulations.gov> by accessing Docket No. NRCS–2024–0012.

FOR FURTHER INFORMATION CONTACT: Mr. J'Que C. Jones at (443) 926–6957, or by email at jque.jones@usda.gov. Individuals who require alternative means for communication should contact the U.S. Department of Agriculture (USDA) Target Center at (202) 720–2600 (voice and text telephone (TTY)) or dial 711 for Telecommunications Relay service (both

voice and text telephone users can initiate this call from any telephone).

SUPPLEMENTARY INFORMATION: NRCS is reopening the comment period on the Notice of availability, request for comments published on September 24, 2024, (89 FR 77811–77812). The comment period for the original notice closed on October 24, 2024. Based on requests received during the initial comment period, NRCS is providing an additional 30 days to allow the public to comment on the specified conservation practice standards to be revised in the NHCP. This will allow more time for the public to adequately review and provide constructive feedback on the proposed revisions to the conservation practice standards.

Louis Aspey,

Associate Chief, Natural Resources Conservation Service.

DEPARTMENT OF COMMERCE

Census Bureau

Agency Information Collection Activities; Submission to the Office of Management and Budget (OMB) for Review and Approval; Comment Request; National Survey of Children's Health

AGENCY: U.S. Census Bureau, Commerce.

ACTION: Notice of information collection, request for comment.

SUMMARY: The Department of Commerce, in accordance with the Paperwork Reduction Act (PRA) of 1995, invites the general public and other Federal agencies to comment on proposed, and continuing information collections, which helps us assess the impact of our information collection requirements and minimize the public's reporting burden. The purpose of this notice is to allow for 60 days of public comment on the proposed revision of the National Survey of Children's Health, prior to the submission of the information collection request (ICR) to OMB for approval.

DATES: To ensure consideration, comments regarding this proposed information collection must be received on or before December 23, 2024.

ADDRESSES: Interested persons are invited to submit written comments by email to ADDP.NSCH.List@census.gov. Please reference National Survey of Children's Health in the subject line of your comments. You may also submit comments, identified by Docket Number USBC-2024-0025, to the Federal e-

Rulemaking Portal: <http://www.regulations.gov>. All comments received are part of the public record. No comments will be posted to <http://www.regulations.gov> for public viewing until after the comment period has closed. Comments will generally be posted without change. All Personally Identifiable Information (for example, name and address) voluntarily submitted by the commenter may be publicly accessible. Do not submit Confidential Business Information or otherwise sensitive or protected information. You may submit attachments to electronic comments in Microsoft Word, Excel, or Adobe PDF file formats.

FOR FURTHER INFORMATION CONTACT:

Requests for additional information or specific questions related to collection activities should be directed to Christine Flanagan Borman, Survey Director, by way of phone (301-763-4315) or email (christine.flanagan.borman@census.gov).

SUPPLEMENTARY INFORMATION:

I. Abstract

Sponsored primarily by the U.S. Department of Health and Human Services' Health Resources Services Administration's Maternal and Child Health Bureau (HRSA MCHB), the National Survey of Children's Health (NSCH) is designed to produce data on the physical and emotional health of children under 18 years of age who live in the United States. The National Center on Birth Defects and Developmental Disabilities (CDC-NCBDDD) and the Division of Nutrition, Physical Activity, and Obesity (CDC-DNPAO) within the United States Department of Health and Human Services' Centers for Disease Control and Prevention (CDC) along with the United States Department of Agriculture (USDA) sponsor supplemental content on the NSCH. Additionally, the upcoming cycle of the NSCH plans to include twelve (12) state oversamples. These state oversamples would be sponsored by the State of Arizona, the State of California, the State of Colorado, the State of Illinois, the State of Kansas, the State of Nebraska, the State of New Mexico, the State of Ohio, the State of Pennsylvania, the State of Utah, the State of West Virginia, and the State of Wyoming.

The NSCH collects information on factors related to the well-being of children, including access to health care, in-home medical care, family interactions, parental health, school and after-school experiences, and neighborhood characteristics. The goal
