Foreign-Trade Zones Board

[B-43-2014]

Notification of Proposed Production Activity; Suzuki Manufacturing of America Corporation, Subzone 26L (All-Terrain Vehicles), Rome, Jonesboro and Cartersville, Georgia

Georgia Foreign-Trade Zone, Inc., grantee of FTZ 26, submitted a notification of proposed production activity to the FTZ Board on behalf of Suzuki Manufacturing of America Corporation (SMAC), operator of Subzone 26L, at its facilities located in Rome, Jonesboro and Cartersville, Georgia. The notification conforming to the requirements of the regulations of the FTZ Board (15 CFR 400.22) was received on May 21, 2014.

SMAC already has authority to produce all-terrain vehicles (ATVs) and related components (carriers, footrests, fuel tanks, grips/handle bars, frames, rear box assemblies). The current request would add certain foreign components to the scope of authority. Pursuant to 15 CFR 400.14(b), FTZ activity would be limited to the specific foreign-status components and specific finished products described in the submitted notification (as described below) and subsequently authorized by the FTZ Board.

Production under FTZ procedures could exempt SMAC from customs duty payments on the foreign status components used in export production. On its domestic sales, SMAC would be able to choose the duty rate during customs entry procedures that applies to ATVs, carriers, footrests, fuel tanks, grips/handle bars, frames, and rear box assemblies (2.5%) for the foreign status inputs noted below and in the existing scope of authority. Customs duties also could possibly be deferred or reduced on foreign status production equipment.

The components and materials sourced from abroad include: Plastic resins; chip plates; rubber hoses with/without fittings; rubber v-belts; tires and tubes; steel tubing; runners/banners; printed books/manuals/brochures; chain cam/oil pump drives; fasteners, of steel and aluminum; aluminum gaskets; mountings and brackets; fenders; oil strainers; crankshaft bearings and assemblies; bearing housings; metal

gaskets; stainless o-rings; batteries; spark plugs; starter motors; capacitive discharge ignition (CDI) units; magnetos; compact disc sets; gaskets (copper, paper); gear shift assemblies; light bulbs; KD parts of ATVs; gear/fork shafts; therma-coupler nozzles; speedometers; and, battery plates (duty rate ranges from free to 9.0%).

Public comment is invited from interested parties. Submissions shall be addressed to the FTZ Board's Executive Secretary at the address below. The closing period for their receipt is July 22, 2014.

A copy of the notification will be available for public inspection at the Office of the Executive Secretary, Foreign-Trade Zones Board, Room 21013, U.S. Department of Commerce, 1401 Constitution Avenue NW., Washington, DC 20230-0002, and in the "Reading Room" section of the FTZ Board's Web site, which is accessible via www.trade.gov/ftz.

For further information, contact Pierre Duy at Pierre.Duy@trade.gov or (202) 482-1378.

Dated: June 6, 2014.

Extension of Deadlines for Preliminary Results

As explained in the memorandum from the Assistant Secretary for Enforcement and Compliance, the Department exercised its discretion to toll deadlines for the duration of the closure of the Federal Government from October 1, through October 16, 2013.³ Therefore, all deadlines in this segment of the proceeding have been extended by 16 days. The revised deadline for the

preliminary results of this review was February 6, 2014. Additionally, on January 15, 2014, the Department extended the time period for issuing the preliminary results of this review by 90 days, until May 7, 2014.⁴ Finally, on April 22, 2014, the Department extended the time period for issuing the preliminary results of this review by an additional 30 days, until June 6, 2014.⁵

Methodology

The Department is conducting this review in accordance with sections 751(a)(1)(B) and 751(a)(2)(B) of the Tariff Act of 1930, as amended (“the Act”) and 19 CFR 351.214. The Department calculated export prices in accordance with section 772 of the Act. Because the PRC is a nonmarket economy (“NME”) within the meaning of section 771(18) of the Act, the Department calculated normal value in accordance with section 773(c) of the Act.

For a full description of the methodology underlying our conclusions, see the Preliminary Decision Memorandum, dated

concurrently with these results and hereby adopted by this notice. The Preliminary Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance’s Antidumping and Countervailing Duty Centralized Electronic Service System (“IA ACCESS”). IA ACCESS is available to registered users at <http://iaaccess.trade.gov> and in the Central Records Unit, room 7046 of the main Department of Commerce building. In addition, a complete version of the Preliminary Decision Memorandum can be accessed directly on the Internet at <http://enforcement.trade.gov/frn>. The signed Preliminary Decision Memorandum and the electronic versions of the Preliminary Decision Memorandum are identical in content.

Preliminary Results of New Shipper Reviews

The Department preliminarily determines that the following weighted-average dumping margin exists:

Exporter	Producer	Weighted-average dumping margin (percent)
Dalian Huade Wood Product Co., Ltd	Dalian Huade Wood Product Co., Ltd	0.00
Linyi Bonn Flooring Manufacturing Co., Ltd	Linyi Bonn Flooring Manufacturing Co., Ltd	0.00
Zhejiang Fuerjia Wooden Co., Ltd	Zhejiang Fuerjia Wooden Co., Ltd	0.00

Disclosure and Public Comment

The Department intends to disclose calculations performed for these preliminary results to the parties within five days of the date of publication of this notice in accordance with 19 CFR 351.224(b). Interested parties may submit case briefs no later than 30 days after the date of publication of these preliminary results of review.⁶ Rebuttals to case briefs may be filed no later than five days after the written comments are filed.⁷ A table of contents, list of authorities used, and an executive summary of issues should accompany any briefs submitted to the Department. This summary should be limited to five pages total, including footnotes.

Any interested party may request a hearing within 30 days of publication of

this notice.⁸ Hearing requests should contain the following information: (1) The party’s name, address, and telephone number; (2) the number of participants; and (3) a list of the issues to be discussed. Oral presentations will be limited to issues raised in the briefs. If a request for a hearing is made, parties will be notified of the time and date for the hearing to be held at the U.S. Department of Commerce, 1401 Constitution Avenue NW., Washington, DC 20309.⁹

The Department intends to issue the final results of these new shipper reviews, which will include the results of its analysis of issues raised in any such comments, within 90 days of publication of these preliminary results, pursuant to section 751(a)(3)(A) of the Act.

Assessment Rates

Upon issuing the final results of these new shipper reviews, the Department shall determine, and U.S. Customs and Border Protection (“CBP”) shall assess, antidumping duties on all appropriate entries. The Department intends to issue assessment instructions to CBP 15 days after the date of publication of the final results of this new shipper review. For any individually examined respondents whose weighted-average dumping margin is above *de minimis*, we will calculate importer-specific *ad valorem* duty assessment rates based on the ratio of the total amount of dumping calculated for the importer’s examined sales to the total entered value of those same sales in accordance with 19 CFR 351.212(b)(1).¹⁰

⁴ See Memorandum to Christian Marsh, Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations, regarding “Multilayered Wood Flooring from the People’s Republic of China: Extension of Deadline for

Preliminary Results of Antidumping Duty New Shipper Review” (January 15, 2014).

⁵ See Memorandum to Christian Marsh, Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations, regarding “Multilayered Wood Flooring from the People’s Republic of China: Extension of Deadline for Preliminary Results of Antidumping Duty New Shipper Review” (April 22, 2014).

⁶ See 19 CFR 351.309(c); see also 19 CFR 351.303 (for general filing requirements).

⁷ See 19 CFR 351.309(d).

⁸ See 19 CFR 351.310(c).

⁹ See 19 CFR 351.310(d).

¹⁰ In these preliminary results, the Department applied the assessment rate calculation method adopted in *Antidumping Proceedings: Calculation of the Weighted-Average Dumping Margin and Assessment Rate in Certain Antidumping*

We will instruct CBP to assess antidumping duties on all appropriate entries covered by these new shipper reviews when the importer-specific assessment rate calculated in the final results of this review is above *de minimis*. Where either the respondent's weighted-average dumping margin is zero or *de minimis*, or an importer-specific assessment rate is zero or *de minimis*, we will instruct CBP to liquidate the appropriate entries without regard to antidumping duties. The Department announced a refinement to its assessment practice in NME cases. Pursuant to this refinement in practice, for entries that were not reported in the U.S. sales databases submitted by Bonn Flooring, Fuerjia and Huade for these new shipper reviews, the Department will instruct CBP to liquidate such entries at the PRC-wide rate. In addition, if the Department determines that the exporter under review had no shipments of the subject merchandise, any suspended entries that entered under that exporter's case number (*i.e.*, at that exporter's rate) will be liquidated at the PRC-wide rate.¹¹

The final results of these new shipper reviews shall be the basis for the assessment of antidumping duties on entries of merchandise covered by the final results of these reviews and for future deposits of estimated duties, where applicable.

Cash Deposit Requirements

The following cash deposit requirements will be effective upon publication of the final results of these new shipper reviews for shipments of the subject merchandise from the PRC entered, or withdrawn from warehouse, for consumption on or after the publication date, as provided by sections 751(a)(2)(C) of the Act: (1) For the companies listed above that have a separate rate, the cash deposit rate will be that rate established in the final results of these new shipper reviews (except, if the rate is zero or *de minimis*, then a zero cash deposit will be required); (2) for previously investigated or reviewed PRC and non-PRC exporters not listed above that received a separate rate in a prior segment of this proceeding, the cash deposit rate will continue to be the existing producer/exporter-specific combination rate; (3) for all PRC exporters of subject merchandise that have not been found to be entitled to a separate rate, the cash

deposit rate will be that for the PRC-wide entity, or 58.84 percent; and (4) for all non-PRC exporters of subject merchandise which have not received their own rate, the cash deposit rate will be the rate applicable to the PRC producer/exporter combination that supplied that non-PRC exporter. These deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Department's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

We are issuing and publishing these results in accordance with sections 751(a)(2)(B) and 777(i)(1) of the Act and 19 CFR 351.214.

Dated: June 6, 2014.

Assistant Secretary for Enforcement and Compliance.
