SUPPLEMENTARY INFORMATION: On December 18, 2014, we published a notice in the **Federal Register** (79 FR 75722) inviting applications for new awards for FY 2015 for the SSS Program. It has come to the Department's attention that information regarding the point allocation for CPPs 1(a), 1(b), and 2(a) is inaccurate. The December 18, 2014 notice inviting applications incorrectly states that "up to" one additional point is available for each of CPPs 1(a) and 2(a) and "up to" two additional points are available for CPP 1(b). Through this notice, the Department is providing a correction to CPPs 1(a), 1(b), and 2(a) by deleting the phrase "up to" from the point allocations for each of these CPPs. Under this competition, applicants will be able to earn one additional point for CPP 1(a) and two additional points for CPP 1(b). Additionally, under this competition, applicants will be able to earn one additional point for CPP 2(a) and two additional points for CPP 2(b). No partial points will be awarded for addressing any portion of the CPPs.

Lastly, it also has come to the Department's attention that the links to two studies associated with the CPPs are inoperable. Therefore, to assist potential applicants in responding to the CPPs, we are providing updated links to the two studies. The updated links are listed below:
