Foreign–Trade Zones Board

[B–19–2025]

Foreign-Trade Zone (FTZ) 177, Notification of Proposed Production Activity; AstraZeneca Pharmaceuticals LP (Pharmaceutical Products); Mount Vernon, Indiana

AstraZeneca Pharmaceuticals LP submitted a notification of proposed production activity to the FTZ Board (the Board) for its facilities in Mount Vernon, Indiana within Subzone 177A. The notification conforming to the requirements of the Board's regulations (15 CFR 400.22) was received on March 27, 2025.

Pursuant to 15 CFR 400.14(b), FTZ production activity would be limited to the specific foreign-status material(s)/component(s) and specific finished product(s) described in the submitted notification (summarized below) and subsequently authorized by the Board. The benefits that may stem from conducting production activity under FTZ procedures are explained in the background section of the Board's website—accessible via www.trade.gov/ftz. The proposed finished product and material/component would be added to the production authority that the Board previously approved for the operation, as reflected on the Board's website.

The proposed finished product is zibotentan/dapagliflozin tablets (duty-free).

The proposed foreign-status material/component is zibotentan active pharmaceutical ingredient (duty rate—6.5%). The request indicates that the material/component is subject to duties under section 1702(a)(1)(B) of the International Emergency Economic Powers Act (section 1702), depending on the country of origin. The applicable section 1702 decisions require subject merchandise to be admitted to FTZs in

privileged foreign status (19 CFR 146.41).

Public comment is invited from interested parties. Submissions shall be addressed to the Board's Executive Secretary and sent to: ftz@trade.gov. The closing period for their receipt is May 13, 2025.

A copy of the notification will be available for public inspection in the "Online FTZ Information System" section of the Board's website.

For further information, contact Diane Finver at Diane.Finver@trade.gov.

Dated: March 31, 2025.

Elizabeth Whiteman,
Executive Secretary.

Certain Corrosion-Resistant Steel Products From the United Arab Emirates and South Africa: Preliminary Affirmative Determination, in Part, of Critical Circumstances

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The U.S. Department of Commerce (Commerce) preliminarily determines that critical circumstances exist with respect to imports of certain corrosion-resistant steel products (CORE) from the United Arab Emirates (UAE) and that critical circumstances do not exist with respect to imports of CORE from South Africa. The period of investigation (POI) is July 1, 2023, through June 30, 2024.

DATES: Applicable April 3, 2025.

FOR FURTHER INFORMATION CONTACT: Jacob Saude or Thomas Cloyd, AD/CVD Operations, Office VII, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482–0981 or (202) 482–1246, respectively.

SUPPLEMENTARY INFORMATION:

Background

On October 2, 2025, Commerce initiated the less-than-fair-value (LTFV)

investigations of CORE from the UAE and South Africa.¹ On February 18, 2025, Nucor Corporation, United States Steel Corporation, Wheeling-Nippon Steel, Inc., Steel Dynamics, Inc., and the United Steel, Paper and Forestry, Rubber, Manufacturing, Energy, Allied Industrial and Service Workers International Union, AFL–CIO, CLC (collectively, the petitioners), timely alleged that critical circumstances exist with respect to imports of CORE from the UAE and South Africa.² For a complete description of the events that followed the initiation of this investigation with respect to critical circumstances, see the Preliminary Critical Circumstances Decision Memorandum.³ The Preliminary Critical Circumstances Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <https://access.trade.gov>. In addition, a complete version of the Preliminary Critical Circumstances Decision Memorandum can be accessed directly at <https://access.trade.gov/public/FRNoticesListLayout.aspx>.

Scope of the Investigation

The product covered by these investigations is CORE from the UAE and South Africa. For a complete description of the scope of this investigation, see Appendix I.

Preliminary Affirmative Determination of Critical Circumstances, in Part

In accordance with section 733(e) of the Tariff Act of 1930, as amended (the Act), and 19 CFR 351.206, Commerce preliminarily finds that critical
