BJS plans to field the 2020 CPFFCL from May to October 2021. The census form was assessed by practitioners and subject matter experts to update it from the 2014 form and ensure its relevance to forensic crime laboratories as well as reduce respondent burden. The form was then cognitively tested with 23 forensic crime laboratories of different sizes, regions, and government levels. In addition to collecting detailed data for the 2020 reference year, CPFFCL will also collect summary data for the 2019 reference year.
