SUPPLEMENTARY INFORMATION:

I. Does this action apply to me?

This announcement is directed to the public in general. It may, however, be of particular interest to you if you manufacture (defined by statute to include import) and/or process chemicals covered by TSCA (15 U.S.C. 2601 *et seq.*). This may include businesses identified by the North American Industrial Classification System (NAICS) codes 325 and 32411. Because this action is directed to the general public and other entities may also be interested, the Agency has not attempted to describe all the specific entities that may be interested in this action. If you have any questions regarding the applicability of this action to a particular entity, consult the technical person listed under **FOR FURTHER INFORMATION CONTACT**.

II. What action is the agency taking?

EPA is extending the compliance dates published in the **Federal Register** on January 19, 2017, and previously extended in the **Federal Register** on February 21, 2017. Specifically, the Agency is now giving those submitters until October 19, 2017, to submit the substantiations required by TSCA section 14(c)(3). This extension is in response to concerns raised by industry stakeholders regarding the ability for companies to meet the previous September 19, 2017, deadline due to recent severe weather events. EPA is providing this additional flexibility for stakeholders because of the impacts of hurricanes Harvey and Irma.

For more detail on the requirements of TSCA section 14(c)(3) and how to comply with those requirements, see the **Federal Register** on January 19, 2017 (82 FR 6522) (FRL-9958-34) and the **Federal Register** on February 21, 2017 (82 FR 11218) (FRL-9959-39).

III. What is the agency's authority for taking this action?

EPA has determined that TSCA section 14(c)(3), 15 U.S.C. 2613(c)(3), requires an affected business to substantiate all TSCA CBI claims, except for information subject to TSCA section 14(c)(2), at the time the affected business submits the claimed information to EPA.

TSCA section 14(c)(1)(a) requires an affected business to assert a claim for protection from disclosure concurrent with submission of the information in accordance with existing or future rules. TSCA section 14(c)(3) in turn requires an affected business submitting a claim to protect information from disclosure to substantiate the claim, also in accordance with existing or future rules.

Because EPA published its interpretation that TSCA section 14(c)(3) requires up front substantiation after some companies had already asserted confidentiality claims subject to TSCA section 14(c)(3), the Agency set a future deadline for submission of substantiations pertaining to those submissions. This notice extends that deadline.

Authority: 15 U.S.C. 2601 *et seq.*
