

electronically on EDGAR (404 filings).⁴ Filers are responsible for 100% of the total burden hours.

If the potential access changes and potential Form ID amendments become effective, for purposes of the Paperwork Reduction Act, we estimate that the number of Form ID filings would increase approximately by 7,284 annually⁵ and that the number of hours to prepare Form ID would increase by 0.15 hours. The current approved estimate of the annual number of Form ID filings for filers without CIKs (48,089 filings) and filers with CIKs who have not filed electronically on EDGAR (404 filings) would stay the same.

Thus, for purposes of the Paperwork Reduction Act, the estimated total number of annual Form ID filings would increase from 48,493 filings to 55,777 filings.⁶ The estimate of 0.15 hours per response would increase to 0.30 hours per response. The estimated total annual burden would increase from 7,274 hours to 16,734 hours.⁷ The estimate includes the number of filers without CIKs, filers with CIKs who have not filed electronically on EDGAR, and filers with CIKs who are seeking to reaccess EDGAR. The estimate that the filers are responsible for 100% of the total burden hours would stay the same.

In relation to the potential access changes described above, the Commission may consider amending Form ID to make technical modifications and clarifications. We do not believe that these technical modifications and clarifications to Form ID would make any substantive modifications to any existing collection of information requirements or impose any new substantive recordkeeping or information collection requirements within the meaning of the Paperwork Reduction Act.

The estimate of average burden hours is made solely for the purposes of the Paperwork Reduction Act. The estimate is not derived from a comprehensive or representative survey or study of the costs of Commission rules. Complying with this collection of information requirement is necessary to obtain the benefit of relying on Form ID. An agency may not conduct or sponsor, and a person is not required to respond to,

a collection of information unless it displays a currently valid control number.

Written comments are invited on: (i) Whether this proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (ii) the accuracy of the agency's estimate of the burden imposed by the collection of information; (iii) ways to enhance the quality, utility, and clarity of the information collected; and (iv) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication.

Please direct your written comments to David Bottom, Director/Chief Information Officer, Securities and Exchange Commission, c/o Cynthia Roscoe, 100 F Street NE, Washington, DC 20549 or send an email to: PRA_Mailbox@sec.gov.

SOCIAL SECURITY ADMINISTRATION

[Docket No: SSA-2021-0040]

Agency Information Collection Activities: Proposed Request

The Social Security Administration (SSA) publishes a list of information collection packages requiring clearance by the Office of Management and Budget (OMB) in compliance with Public Law 104-13, the Paperwork Reduction Act of 1995, effective October 1, 1995. This notice includes revisions of OMB-approved information collections.

SSA is soliciting comments on the accuracy of the agency's burden estimate; the need for the information; its practical utility; ways to enhance its quality, utility, and clarity; and ways to minimize burden on respondents, including the use of automated collection techniques or other forms of information technology. Mail, email, or fax your comments and recommendations on the information collection(s) to the OMB Desk Officer and SSA Reports Clearance Officer at the following addresses or fax numbers. (OMB) Office of Management and Budget, Attn: Desk Officer for SSA. Comments: <https://www.reginfo.gov/public/do/PRAMain>. Submit your comments online referencing Docket ID Number [SSA-2021-0040].

Or you may submit your comments online through <https://www.reginfo.gov/public/do/PRAMain>, referencing Docket ID Number [SSA-2021-0040].

The information collections below are pending at SSA. SSA will submit them to OMB within 60 days from the date of this notice. To be sure we consider your

⁴ 48,089 filings for users without CIKs + 404 filings for filers with CIKs who have not yet filed electronically on EDGAR = 48,493 filings.

⁵ We base this estimate on the average annual number of filings from filers with CIKs who submitted manual passphrase update requests for the past three federal fiscal years. ((7,004 filings per year + 6,871 filings per year + 7,978 filings per year)/3 years) = average of 7,284 filings per year.

comments, we must receive them no later than December 13, 2021. Individuals can obtain copies of the collection instruments by writing to the above email address.

1. *Statement of Household Expenses and Contributions—20 CFR 416.1130–416.1148—0960–0456.* SSA bases eligibility for Supplemental Security Income (SSI) on the needs of the recipient. In part, we assess need through determining the amount of income a recipient receives. This income includes in-kind support and maintenance in the form of food and shelter home owners provide. SSA uses Form SSA–8011–F3, Statement of Household Expenses and Contributions,

to determine whether the claimant or recipient receives in-kind support and maintenance. This is necessary to determine: (1) The claimant's or recipient's eligibility for SSI, and (2) the SSI payment amount. SSA only uses this form in cases where SSA needs the householder's (head of household) corroboration of in-kind support and maintenance. The SSA–8011–F3 provides information, which could affect SSI eligibility and payment amount. An SSA claims specialist collects the information on Form SSA–8011–F3 through telephone contact with the respondents, or through face-to-face interviews. The claims specialist records the information in our

electronic SSI Claims System. When we use this procedure, we do not use a paper Form SSA–8011–F3, and we do not require a wet signature, rather we request verbal attestation. However, for those few instances when we use a paper form, we ensure the appropriate person, *i.e.*, the householder, signs the form, and then the claims specialist documents the information in the SSI Claims System; faxes the form into the appropriate electronic folder; and shreds the form. Respondents are householders of homes in which an SSI applicant or recipient resides.

business data with SSA. Requestors provide SSA with the information needed to establish their identities. Once SSA verifies identity, the IRES system issues the requestor a user identification number and a password to conduct business with SSA. business entities providing taxpayer identification information; appointed representatives; representative payees; and data exchange partners conducting business in support of SSA programs.

SSA then obtains information from the beneficiaries these organizations represent via Form SSA-639, Beneficiary Interview Form, to corroborate the payees' statements. Due to the sensitivity of the information, the

4. *Request for Reinstatement (Title II)—20 CFR 404.1592b-404.1592f—0960-0742.* SSA allows certain previously entitled disability beneficiaries to request expedited reinstatement (EXR) of benefits under Title II of the Social Security Act when their medical condition no longer

permits them to perform substantial gainful activity. SSA uses Form SSA-371, Request for Reinstatement (Title II) to obtain: (1) A signed statement from individuals requesting an EXR of their Title II disability benefits; and (2) proof the requestors meet the EXR requirements. SSA maintains the form

in the disability folder of the applicant to demonstrate the requestors' awareness of the EXR requirements, and their choice to request EXR. Respondents are applicants for EXR of Title II disability benefits.

scheduling of a personal conference if SSA cannot approve a request for waiver; and (3) the availability of a different rate of withholding when SSA proposes the full withholding rate. OFFICE OF THE UNITED STATES TRADE REPRESENTATIVE

Notice of Continuation and Request for Nominations for the Trade and Environment Policy Advisory Committee

AGENCY: Office of the United States Trade Representative.

ACTION: Notice and request for applications.

SUMMARY: The Office of the United States Trade Representative (USTR) has established a new two-year charter term and is accepting applications from qualified individuals interested in serving as a member of the Trade and Environment Policy Advisory Committee (TEPAC). The TEPAC is a trade advisory committee that provides general policy advice to the U.S. Trade Representative on trade policy matters that have a significant impact on the environment.

DATES: USTR will accept nominations on a rolling basis for membership on the TEPAC for the two-year charter term that began on September 28, 2021, and will expire on September 28, 2023.

FOR FURTHER INFORMATION CONTACT: Ethan Holmes, Director for Private Sector Engagement, Ethan.M.Holmes@ustr.eop.gov, or Amanda Mayhew, Office for Environment and Natural Resources, Amanda.B.Mayhew@ustr.eop.gov or (202) 395-9629.

SUPPLEMENTARY INFORMATION:

1. Background

Section 135(c)(1) of the Trade Act of 1974, as amended (19 U.S.C. 2155(c)(1)), authorizes the President to establish individual general trade policy advisory committees for industry, labor, agriculture, services, investment, defense, small business, and other interests, as appropriate, to provide general policy advice. The President delegated that authority to the U.S. Trade Representative in Executive Order 11846, section 4(d), issued on March 27, 1975. Pursuant to an executive order that renewed the TEPAC and extended Executive Order 12905 of March 25, 1994, the U.S. Trade Representative established a new two-year charter term for the TEPAC, which began on September 28, 2021, and will end on September 28, 2023.

The TEPAC is a trade advisory committee established to provide general policy advice to the U.S. Trade Representative on trade policy matters that have a significant impact on the environment. More specifically, the TEPAC provides general policy advice with respect to the effect on the environment of implementation of trade agreements; negotiating objectives and bargaining positions before entering into trade agreements; the operation of any trade agreement once entered into, and other matters arising in connection with the development, implementation, and administration of the trade policy of the United States.

The TEPAC meets as needed, at the call either of the U.S. Trade Representative or their designee, or two-thirds of the TEPAC members, depending on various factors such as the level of activity of trade negotiations and the needs of the U.S. Trade Representative.

II. Membership

The TEPAC is composed of not more than 35 members, including, but not
