As required by section 3506(c)(2)(A) of the PRA, the FTC is providing this opportunity for public comment before requesting that

The Rule tracts the disclosure requirements suggested in section 102(a) of the Act,² specifying information that must appear in the written warranty and, for certain disclosures, mandates the exact language that must be used. The Warranty Rule requires that the information be conspicuously disclosed in a single document in simple, easily understood language. In promulgating this rule, the Commission determined
