CMS–10506 Conditions of Participation for Community Mental Health Centers and Supporting Regulations

Under the PRA (44 U.S.C. 3501–3520), federal agencies must obtain approval from the Office of Management and Budget (OMB) for each collection of information they conduct or sponsor. The term “collection of information” is defined in 44 U.S.C. 3502(3) and 5 CFR 1320.3(c) and includes agency requests

or requirements that members of the public submit reports, keep records, or provide information to a third party. Section 3506(c)(2)(A) of the PRA requires federal agencies to publish a 60-day notice in the **Federal Register** concerning each proposed collection of information, including each proposed extension or reinstatement of an existing collection of information, before submitting the collection to OMB for approval. To comply with this requirement, CMS is publishing this notice.

Information Collections

1. *Type of Information Collection Request:* Reinstatement with change of a previously approved collection; *Title of Information Collection:* Conditions of Participation for Community Mental Health Centers and Supporting Regulations; *Use:* The purpose of this package is to request a re-instatement with change to the Office of Management and Budget (OMB) of the collection of information requirements associated with the conditions of participation (CoPs) that Community Mental Health Centers (CMHCs) must meet to participate in the Medicare program.

On October 29, 2013, we published CoPs, for CMHCs (78 FR 64630). The CoPs included the following: *Personnel qualifications* (§ 485.904); *Client Rights* (§ 485.910); *Admission, Initial Evaluation, Comprehensive Assessment, and Discharge or Transfer of the Client* (§ 485.914); *Treatment Team, Active Treatment Plan, and Coordination of Services* (§ 485.916); *Quality Assessment and Performance Improvement* (§ 485.917); and *Organization, Governance, Administration of Services, and Partial Hospitalization Services* (§ 485.918). We finalized emergency preparedness requirements for CMHCs (§ 485.920) in the “2016 Emergency Preparedness (EP) Final Rule” published on September 16, 2016 (81 FR 63921). The information collections associated with the EP CoPs requirements can be found under OMB Control Number 0938–1325.

On September 30, 2019, we published final rule, “*Medicare and Medicaid Programs; Regulatory Provisions to Promote Program Efficiency, Transparency, and Burden Reduction; Fire Safety Requirements for Certain Dialysis Facilities; Hospital and Critical Access Hospital (CAH) Changes to Promote Innovation, Flexibility, and Improvement in Patient Care*,” which revised the CMHC CoPs at § 485.914 (84 FR 51829, 51752 through 51754).

We finalized revisions to the CMHC CoPs in the “CY 2024 Hospital

Outpatient Prospective Payment and Ambulatory Surgical Center Payment Systems Final Rule,” published on November 22, 2023 (88 FR 81540, 82076 through 82079). This final rule revised the following conditions of participation: *Personnel qualifications* (§ 485.904), *Admission, Initial Evaluation, Comprehensive Assessment, and Discharge or Transfer of the Client* (§ 485.914); *Treatment Team, Person-Centered Active Treatment Plan, and Coordination of Services* (§ 485.916); and *Organization, Governance, Administration of Services, Partial Hospitalization Services* (§ 485.918).

Medicare Part B covers partial hospitalization (PHP) services and intensive outpatient (IOP) services furnished by or under arrangements made by the CMHC if they are provided by a CMHC as defined in 42 CFR 410.110. Section 4162 of the Omnibus Budget Reconciliation Act of 1990 (OBRA 1990) (Pub. L. 101–508) amended sections 1832(a)(2) and 1861(ff)(3) of the Act to allow CMHCs to provide PHP services. Furthermore, the Consolidated Appropriations Act (CAA), 2023 (Pub. L. 117–238) established in section 4124 coverage of IOP services in CMHCs. The legislation extended Medicare coverage and payment of IOP services furnished by a CMHC beginning January 1, 2024, adding to the existing coverage and payment for PHP services in CMHCs. Section 4121 of the CAA, 2023 also established a new Medicare benefit category for services furnished and directly billed by Mental Health Counselors (MHCs) and Marriage and Family Therapists (MFTs).

The services provided by CMHCs must be furnished by, or under arrangement with a CMHC participating in the Medicare program. They must include the following:

- Prescribed by a physician and furnished under the general supervision of a physician.
- Subject to certification by a physician in accordance with 42 CFR 424.24(e)(1).
- Furnished under a treatment plan that meets the requirements of 42 CFR 424.24(e)(2).
- Provides outpatient services, including specialized outpatient services for children, elderly individuals, individuals with serious mental illness, and residents of its mental health service area who have been discharged from inpatient mental health facilities.
- Provides 24-hour-a-day emergency care services.
- Provides day treatment, partial hospitalization services (PHP) or

intensive outpatient services (IOP) other than an individual’s home or in an inpatient or residential setting, or psychosocial rehabilitation services.

- Provides screening for clients being considered for admission to State mental health facilities to determine the appropriateness of such services unless otherwise directed by State law.
- Meets applicable licensing or certification requirements for CMHCs in the state in which it is located.
- Provides at least 40 percent of its services to individuals who are not eligible for benefits under title XVIII of the Act.

We collect information on several health and safety aspects, such as *Client rights* (§ 485.910) *active treatment plans* (§ 485.916), *Quality assessment and performance improvement* (§ 485.917), and *governance* (§ 485.918).

The primary users of this information will be Federal and State agency surveyors for determining through the survey process, whether a CMHC qualifies for approval or re-approval under Medicare. CMS and its contractors will use this information to review claims to determine whether the patient is eligible for the PHP or IOP benefit and whether the claim meets the criteria for coverage and Medicare payment. Lastly, the information will be used by CMHCs to ensure their own compliance with all requirements to assist in guiding their patient care and quality programs. *Form Number:* CMS–10506 (OMB control number: 0938–1245); *Frequency:* Occasionally; *Affected Public:* Private sector—Business or other for-profits and Not-for-profit organizations; *Number of Respondents:* 1,475; *Total Annual Responses:* 7,420; *Total Annual Hours:* 1,434.
