Bureau of Transportation Statistics

Agency Information Collection;
Activity Under OMB Review; Part 249
Preservation of RecordsAGENCY: Bureau of Transportation
Statistics (BTS), DOT.

ACTION: Notice.

SUMMARY: In compliance with the Paperwork Reduction Act of 1995, Public Law 104-13, the Bureau of Transportation Statistics invites the general public, industry and other governmental parties to comment on the continuing need for and usefulness of BTS requiring certificated air carriers to preserve accounting, records, consumer complaint letters, reservation reports and records, system reports of aircraft movements, etc.

DATES: Written comments should be submitted by April 28, 2003.

ADDRESSES: Comments should be directed to: Office of Airline Information, K-14, Room 4125, Bureau of Transportation Statistics, 400 Seventh Street, SW., Washington, DC 20590-0001, FAX NO. 366-3383 or e-mail bernard.stankus@bts.gov.

Comments: Comments should identify the associated OMB approval # 2138-0006. Persons wishing the Department to acknowledge receipt of their comments must submit with those comments a self-addressed stamped postcard on which the following statement is made: Comments on OMB

2138-0006. The postcard will be date/time stamped and returned.

FOR FURTHER INFORMATION CONTACT: Bernie Stankus, Office of Airline Information, K-14, Room 4125, Bureau of Transportation Statistics, 400 Seventh Street, SW., Washington, DC 20590-0001, (202) 366-4387.

SUPPLEMENTARY INFORMATION:

OMB Approval No. 2138-0006.

Title: Preservation of Air Carrier Records—14 CFR part 249.

Form No.: None.

Type Of Review: Extension of a currently approved recordkeeping requirement.

Respondents: Certificated air carriers and public charter operators.

Number of Respondents: 120 certificated air carriers. 300 public charter operators.

Estimated Time per Response: 3 hours per certificated air carrier. 1 hour per public charter operator.

Total Annual Burden: 660 hours.

Needs and Uses: Part 249 requires the retention of records such as: general and subsidiary ledgers, journals and journal vouchers, voucher distribution registers, accounts receivable and payable journals and ledgers, subsidy records documenting underlying financial and statistical reports to DOT, funds reports, consumer records, sales reports, auditors' and flight coupons, air waybills, etc. Depending on the nature of the document, the carrier may be required to retain the document for a period of 30 days to 3 years. Public charter operators and overseas military personnel charter operators must retain documents which evidence or reflect deposits made by each charter participant and commissions received

by, paid to, or deducted by travel agents, and all statements, invoices, bills and receipts from suppliers or furnishers of goods and services in connection with the tour or charter. These records are retained for 6 months after completion of the charter program.

Not only is it imperative that carriers and charter operators retain source documentation, but it is critical that we ensure that DOT has access to these records. Given DOT's established information needs for such reports, the underlying support documentation must be retained for a reasonable period of time. Absent the retention requirements, the support for such reports may or may not exist for audit/validation purposes and the relevance and usefulness of the carrier submissions would be impaired, since the data could not be verified to the source on a test basis.

Under the Confidential Information Protection and Statistical Efficiency Act of 2002 (44 U.S.C. 3501 note), a statistical agency must clearly distinguish any information it collects for non-statistical purposes. Respondents and the public are hereby notified that BTS uses the information it collects under this OMB approval for non-statistical purposes including, but not limited to, publication of both Respondent's identity and its data, submission of the information to agencies outside BTS for review, analysis and possible use in regulatory and other administrative matters.

Issued in Washington, DC, on February 14, 2003.

Donald W. Bright,

*Assistant Director, Airline Information,
Bureau of Transportation Statistics.*
