

Act. See, e.g., *Final Determination of Sales at Less Than Fair Value; Stainless Steel Sheet and Strip in Coils From Germany*, 64 FR 30710, 30724–30728, at Comment 3 (June 8, 1999); see also *Stainless Steel Sheet and Strip From Taiwan; Final Results and Partial Rescission of Antidumping Duty Administrative Review*, 67 FR 6682 (February 13, 2002), and accompanying Issues and Decision Memorandum at Comment 24. Because HSW failed to cooperate to the best of its ability, we find it necessary to use an AFA, in part, with regard to the packing usage rates for the sales which we did not verify.

Specifically, the verification report contains a chart for those sales that we verified that used different packing configurations from the reported standard configuration, and lists the percentage difference between the actual configuration and the reported packing configuration. See Verification Report. We have taken a simple average of these percentage differences and used this to inflate the packing usage rates of all the sales we did not verify. See Calculation Memo. For those sales we verified that used different packing configurations than those used in the reported standard configuration, we have adjusted the packing rate by the actual percentage difference found. For those sales we verified which used the reported standard configuration, we made no adjustment to the reported packing usage rate.

Preliminary Results of Review

We preliminarily determine that the following weighted-average dumping margin exists:

Manufacturer/Exporter	Margin
Hangzhou Spring Washer Co. Ltd. (also known as Zhejiang Wanxin Group Co., Ltd.)	0.00

Disclosure

We will disclose the calculations used in our analysis to parties to this proceeding within five days of the publication date of this notice. See 19 CFR 351.224(b). Interested parties are invited to comment on the preliminary results and may submit case briefs and/or written comments within 30 days of the date of publication of this notice. See 19 CFR 351.309(c)(ii). Any interested party may request a hearing within 30 days of publication of this notice. See 19 CFR 351.310(c). Any hearing, if requested, will be held 42 days after the date of publication of this notice. See 19 CFR 351.310(d). Rebuttal

briefs, limited to issues raised in case briefs, should be filed no later than 35 days after the date of publication of this notice. See 19 CFR 351.309(d). The Department requests that parties submitting written comments also provide the Department with an additional copy of those comments on diskette. The Department will issue the final results of this administrative review, which will include the results of its analysis of issues raised in any such written briefs or at the hearing, if held, within 120 days of publication of these preliminary results, pursuant to section 751(a)(3)(A) of the Act.

Assessment Rates

Upon issuance of the final results, the Department will determine, and CBP shall assess, antidumping duties on all appropriate entries. The Department intends to issue appropriate assessment instructions directly to CBP 15 days after the date of publication of the final results of this administrative review. If these preliminary results are adopted in our final results of review, we will direct CBP to assess the resulting per-unit value or *ad valorem* rate against the entered customs value for the subject merchandise on each importer's/customer's entries during the POR.

Cash Deposit Requirements

The following cash deposit requirements will be effective upon publication of the final results of this administrative review for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date, as provided for by section 751(a)(2)(C) of the Act: (1) For HSW, which has a separate rate, the cash deposit rate will be the rate established in the final results of review (except, if the rate is zero or *de minimis*, zero cash deposit will be required); (2) for previously investigated or reviewed PRC and non-PRC exporters not listed above that received a separate rate in a prior segment of this proceeding (which were not reviewed in this segment of the proceeding), the cash deposit rate will continue to be the exporter-specific rate; (3) for all PRC exporters of subject merchandise that have not been found to be entitled to a separate rate, the cash deposit rate will be the PRC-wide rate of 70.71 percent; and (4) for all non-PRC exporters of subject merchandise which have not received their own rate, the cash deposit rate will be the rate applicable to the PRC exporter that supplied that non-PRC exporter. These cash deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

This preliminary results of review and notice are issued and published in accordance with sections 751(a)(1) and 777(i)(1) of the Act.

Certain Preserved Mushrooms From the People's Republic of China: Extension of Preliminary Results for Eleventh Antidumping Duty New Shipper Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

EFFECTIVE DATE: September 12, 2007.

FOR FURTHER INFORMATION CONTACT: Thomas Martin or Mark Manning, AD/CVD Operations, Office 4, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; telephone: (202) 482–3936 and (202) 482–5253, respectively.

SUPPLEMENTARY INFORMATION: On April 2, 2007, the Department published a notice of initiation of a new shipper review of the antidumping duty order on certain preserved mushrooms from the PRC, covering the period of review ("POR") February 1, 2006, to January 31, 2007, on Ayecue (Liaocheng) Foodstuff Co., Ltd. ("Ayecue"). See *Certain Preserved Mushrooms from the People's Republic of China: Initiation of New Shipper Antidumping Duty Review*, 72 FR 15657 (April 2, 2007).

Extension of Time Limit for Preliminary Results

Pursuant to section 751(a)(2)(B)(iv) of the Tariff Act of 1930, as amended ("the

Act”), and section 351.214(i)(1) of the Department’s regulations, the Department shall issue preliminary results in a new shipper review of an antidumping duty order within 180 days after the date on which the new shipper review was initiated. The Act and regulations further provide, however, that the Department may extend that 180-day period to 300 days if it determines that this review is extraordinarily complicated. See 19 CFR 351.214(i)(2) and 751 (a)(2)(B)(iv) of the Act.

The Department finds that this review is extraordinarily complicated and that it is not practicable to complete this new shipper review within the foregoing time period. Specifically, the Department must issue supplemental questionnaires to obtain additional information about (1) Ayecue’s complex methodology for allocating consumption rates of factors of production, and (2) the *bona fides* of its U.S. sale. In addition, the Department needs additional time to conduct verification of the submitted information. Accordingly, the Department finds that additional time is needed in order to complete these preliminary results.

Section 751(a)(2)(B)(iv) of the Act and 19 CFR 351.214(i)(2) allow the Department to extend the deadline for the preliminary results to a maximum of 300 days from the date of initiation of the new shipper review. For the reasons noted above, we are extending the deadline for the completion of the preliminary results of this new shipper review to 300 days, *i.e.*, from September 24, 2007, until no later than January 22, 2008.¹ The deadline for the final results of this new shipper review continues to be 90 days after the publication of the preliminary results.

This notice is issued and published in accordance with sections 751(a)(2)(B)(iv) and 777(i)(1) of the Act, and section 19 CFR 351.214(i)(2).

Dated: September 7, 2007.

Gary Taverman,

Acting Deputy Assistant Secretary for Import Administration.

Stainless Steel Bar from India: Notice of Extension of Time Limit for the Final Results of the 2006 New Shipper Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

EFFECTIVE DATE: September 12, 2007.

FOR FURTHER INFORMATION CONTACT: Devta Ohri or Brandon Farlander, AD/CVD Operations, Office 1, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230, telephone (202) 482-3853 and (202) 482-0182, respectively.

SUPPLEMENTARY INFORMATION:

Statutory Time Limits

Section 751(a)(2)(B)(iv) of the Tariff Act of 1930, as amended (the Act), and 19 CFR 351.214(i)(1) of the Department of Commerce’s (Department) regulations require the Department to issue the preliminary results of a new shipper review within 180 days after the date on which the new shipper review was initiated, and the final results of review within 90 days after the date on which the preliminary results were issued. However, if the Department determines that the issues are extraordinarily complicated, 751(a)(2)(B)(iv) of the Act and 19 CFR 351.214(i)(2) allow the Department to extend the deadline for the final results to up to 150 days after the date on which the preliminary results were issued.

Background

On September 26, 2006, the Department published a notice of initiation of a new shipper review of the antidumping duty order on stainless steel bar from India for Ambica Steels Limited (Ambica), covering the period February 1, 2006, through July 31, 2006. See *Stainless Steel Bar from India: Notice of Initiation of Antidumping Duty New Shipper Review*, 71 FR 56105 (September 26, 2006). On July 17, 2007, the Department issued the preliminary results of review. The preliminary results were published on July 23, 2007. See *Stainless Steel Bar from India: Preliminary Results of Antidumping Duty New Shipper Review*, 72 FR 40113 (July 23, 2007). The final results for this review are currently due no later than October 15, 2007.

Extension of Time Limits for Preliminary Results

Pursuant to section 751(a)(2)(B)(iv) of the Act, the Department may extend the deadline for completion of the final results of a new shipper review if it determines that the case is extraordinarily complicated. The Department issued a supplemental questionnaire (dealing with sales and cost issues) to Ambica following the preliminary results, and the Department needs additional time to analyze Ambica’s response. In addition, the Department is planning to conduct a sales and cost verification of Ambica in September. As a result, the Department has determined that this review is extraordinarily complicated, and the final results of this new shipper review cannot be completed within the statutory time limit of 90 days. Therefore, in accordance with section 751(a)(2)(B)(iv) of the Act and 19 CFR 351.214(i)(2), the Department is extending the time limit for the completion of the final results by 60 days, until no later than December 14, 2007.

This notice is published pursuant to sections 751(a)(2)(B)(iv) and 777(i)(1) of the Act.
