

corrective action.¹ A “determination” for purposes of triggering the 15 business days is either: (1) notification to the person or entity of legal guidance prepared by the Office of General Counsel (“OGC”) at the request of the Reports Analysis Division recommending the corrective action; or (2) the end of the Committee’s Audit Exit Conference response period.

Any request for consideration by a Committee during the report review process or the audit process shall be limited to questions of law on material issues, when: (1) The legal issue is novel, complex, or pertains to an unsettled question of law; (2) there has been intervening legislation, rulemaking, or litigation since the Commission last considered the issue; or (3) the request to take corrective action is contrary to or otherwise inconsistent with prior Commission matters dealing with the same issue. The request must specify the question of law at issue and why it is subject to Commission consideration. It should discuss, when appropriate, prior Commission matters raising the same issue, relevant court decisions, and any other analysis of the issue that may assist the Commission in its decision-making. The Commission will not consider factual disputes under this procedure, and any requests for consideration other than on questions of law on material issues will not be granted.

All requests, including any extension requests, should be directed to the Commission Secretary, Federal Election Commission, 999 E Street, NW., Washington, DC 20463, and must be received within 15 business days of the determination of corrective action. Upon receipt of a request, the Commission Secretary shall forward a copy of any request to each Commissioner, the General Counsel, and the Staff Director.

Any request for an extension of time to file will be considered on a case-by-case basis and will only be granted if good cause is shown, and the Commission approves the extension request by four affirmative votes within five business days of receipt of the extension request. Within five business days of notification to the Commissioners of a request for consideration of a legal question, if two or more Commissioners agree that the Commission should consider the request, OGC will prepare a

recommendation and, within 15 business days thereafter, circulate the recommendation in accordance with all applicable Commission directives.

After the recommendation is circulated for a Commission vote, in the event of an objection, the matter shall be automatically placed on the next meeting agenda consistent with the Sunshine Act, 5 U.S.C. 552b(g), and applicable Commission regulations, 11 CFR part 2. However, if within 60 business days of the filing of a request for consideration, the Commission has not resolved the issue or provided guidance on how to proceed with the matter by the affirmative vote of four or more Commissioners, the OC may proceed with the matter. After the 60 business days has elapsed, any requestor will be provided a copy of OGC’s recommendation memorandum and an accompanying vote certification, or if no such certification exists, a cover page stating the disposition of the memoranda. Confidential information will be redacted as necessary.

After the request review process has concluded, or a Final Audit Report has been approved, a copy of the request for consideration, as well as the recommendation memorandum and accompanying vote certification or disposition memorandum, will be placed with the Committee’s filings or audit documents on the Commission’s website within 30 days. These materials will also be placed a Commission webpage dedicated to legal questions considered by the Commission under this program.

This procedure is not intended to circumvent or supplant the Advisory Opinion process provided under 2 U.S.C. 437f and 11 CFR part 112. Accordingly, any legal issues that qualify for consideration under the Advisory Opinion process are not appropriate for consideration under this new procedure. Additionally, this policy statement does not supersede the procedures regarding eligibility and entitlement to public funds set forth in Commission Directive 24 and 11 CFR 9005.1, 9033.4, 9033.6 or 9033.10.

II. Annual Review

No later than July 1 of each year, the OC and OGC shall jointly prepare and distribute to the Commission a written report containing a summary of the requests made under the program over the previous year and a summary of the Commission’s consideration of those requests and any action taken thereon. The annual report shall also include the Chief Compliance Officer’s and the General Counsel’s assessment of whether, and to what extent, the

program has promoted efficiency and fairness in both the Commission’s report review process and in the audit process, as well as their recommendations, if any, for modifications to the program.

The Commission may terminate or modify this program through additional policy statements at any time by an affirmative vote of four of its members.
