BILLING CODE 3510–07–P

DEPARTMENT OF COMMERCE

Bureau of Industry and Security

Agency Information Collection Activities; Submission to the Office of Management and Budget (OMB) for Review and Approval; Comment Request; National Security and Critical Technology Assessments of the U.S. Industrial Base

The Department of Commerce will submit the following information collection request to the Office of Management and Budget (OMB) for review and clearance in accordance with the Paperwork Reduction Act of 1995, on or after the date of publication of this notice. We invite the general public and other Federal agencies to comment on proposed, and continuing information collections, which helps us assess the impact of our information collection requirements and minimize the public's reporting burden. Public comments were previously requested via the **Federal Register** on April 4, 2022, during a 60-day comment period.

This notice allows for an additional 30 days for public comments.

Agency: Bureau of Industry and Security, Commerce.

Title: National Security and Critical Technology Assessments of the U.S. Industrial Base.

OMB Control Number: 0694–0119.

Form Number(s): None.

Type of Request: Regular submission, revision, and extension of a current information collection.

Number of Respondents: 28,000.

Average Hours per Response: 8 to 14 hours.

Burden Hours: 308,000.

Needs and Uses: The Bureau of Industry and Security (BIS) conducts surveys and assessments of critical U.S. industrial sectors and technologies. Undertaken at the request of various policy, research and development (R&D), and program and planning organizations within the Department of Defense and the Armed Services, Department of Homeland Security (DHS), NASA and other agencies, BIS research, data collection and analysis provide needed information to benchmark industry performance and raise awareness of diminishing manufacturing capabilities.

Affected Public: Business or other for-profit organizations.

Frequency: On Occasion.

Respondent's Obligation: Mandatory.

Legal Authority: Section 705 of the Defense Production Act of 1950, as amended, Executive Orders 12656 and 13603.

This information collection request may be viewed at www.reginfo.gov. Follow the instructions to view the Department of Commerce collections currently under review by OMB.

Written comments and recommendations for the proposed information collection should be submitted within 30 days of the publication of this notice on the following website www.reginfo.gov/public/do/PRAMain. Find this particular information collection by selecting “Currently under 30-day Review—Open for Public Comments” or by using the search function and entering either the title of the collection or the OMB Control Number 0694–0119.

Sheleen Dumas,

Department PRA Clearance Officer, Office of the Chief Information Officer, Commerce Department.

Finished Carbon Steel Flanges From India: Final Results of Changed Circumstances Review

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: On June 6, 2022, the U.S. Department of Commerce (Commerce) published its notice of initiation and preliminary results of a changed circumstances review (CCR) of the antidumping duty (AD) order on finished carbon steel flanges (flanges) from India. For these final results, Commerce finds that BFN Forgings Private Limited (BFN) is the successor-in-interest to Bebitz Flanges Works Private Limited (Bebitz) and should be assigned the same AD cash deposit rate for purposes of determining AD liability.

DATES: Applicable July 26, 2022.

FOR FURTHER INFORMATION CONTACT:

James R. Hepburn or Fred Baker, AD/CVD Operations, Office VI, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482–4885 or (202) 482–2924, respectively.

SUPPLEMENTARY INFORMATION:

Background

On April 14, 2022, BFN requested that Commerce conduct an expedited CCR of the AD order on flanges from India¹ to find that BFN is the successor-in-interest to Bebitz.² On June 6, 2022, Commerce initiated a CCR and preliminarily determined that BFN is the successor-in-interest to Bebitz.³ In the *Initiation and Preliminary Results*, we provided all interested parties with an opportunity to comment.⁴ We received no comments from any interested party.

¹ See *Finished Carbon Steel Flanges from India and Italy: Antidumping Duty Orders*, 82 FR 40136 (August 24, 2017) (Order).

² See BFN's Letter, “Finished Carbon Steel Flanges from India: Request for an Expedited Successor-in-Interest Changed Circumstances Review,” dated April 14, 2022.

³ See *Finished Carbon Steel Flanges from India: Notice of Initiation and Preliminary Results of Changed Circumstances Review*, 87 FR 34251 (June 6, 2022) (*Initiation and Preliminary Results*), and accompanying Preliminary Decision Memorandum (PDM).

⁴ *Id.*, 87 FR at 34252.

Scope of the Order

The merchandise covered by the *Order* is flanges from India. The merchandise subject to the *Order* is currently classified under subheadings 7307.91.5010 and 7307.91.5050 of the Harmonized Tariff Schedule of the United States (HTSUS). They may also be entered under HTSUS subheadings 7307.91.5030 and 7307.91.5070. The HTSUS subheadings are provided for convenience and customs purposes; the written description of the scope is dispositive.⁵

Final Results of Changed Circumstances Review

Because the record contains no information or evidence that calls into question the *Initiation and Preliminary Results*, and because we received no comments from interested parties to the contrary, for the reasons stated in the *Initiation and Preliminary Results*,⁶ Commerce finds that BFN is the successor-in-interest to Bebitz.

Instructions to U.S. Customs and Border Protection

As a result of these final results and consistent with established practice, we find that, as the successor-in-interest to Bebitz, entries of flanges from India produced and/or exported by BFN should be subject to the cash deposit rate previously assigned to Bebitz. Commerce will instruct U.S. Customs and Border Protection to suspend liquidation of all shipments of subject merchandise produced and/or exported by BFN and entered, or withdrawn from warehouse, for consumption on or after the publication date of this notice in the **Federal Register** at 0.00 percent, which is the current AD cash deposit rate in effect for subject merchandise produced and/or exported by Bebitz.⁷ This cash deposit rate shall remain in effect until further notice.

Administrative Protective Order

This notice serves as a final reminder to parties subject to administrative protective order (APO) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Timely

written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a sanctionable violation.

Notification to Interested Parties

We are issuing and publishing these final results in accordance with sections 751(b)(1) and 777(i)(1) of the Tariff Act of 1930, as amended, and 19 CFR 351.216(e), 351.221(b), and 351.221(c)(3).

Dated: July 20, 2022.

Lisa W. Wang,

Assistant Secretary for Enforcement and Compliance.

Notice of Scope Ruling Applications Filed in Antidumping and Countervailing Duty Proceedings

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The U.S. Department of Commerce (Commerce) received scope ruling applications, requesting that scope inquiries be conducted to determine whether identified products are covered by the scope of antidumping duty (AD) and/or countervailing duty (CVD) orders and that Commerce issue scope rulings pursuant to those inquiries. In accordance with Commerce's regulations, we are notifying the public of the filing of the scope ruling applications listed below in the month of June 2022.

DATES: Applicable July 26, 2022.

FOR FURTHER INFORMATION CONTACT: Terri Monroe, AD/CVD Operations, Customs Liaison Unit, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230, telephone: (202) 482–1384.

Notice of Scope Ruling Applications: In accordance with 19 CFR 351.225(d)(3), we are notifying the public of the following scope ruling applications related to AD and CVD orders and findings filed in or around the month of June 2022. This notification includes, for each scope application: (1) identification of the AD and/or CVD orders at issue (19 CFR 351.225(c)(1)); (2) concise public descriptions of the products at issue, including the physical characteristics

(including chemical, dimensional and technical characteristics) of the products (19 CFR 351.225(c)(2)(ii)); (3) the countries where the products are produced and the countries from where the products are exported (19 CFR 351.225(c)(2)(i)(B)); (4) the full names of the applicants; and (5) the dates that the scope applications were filed with Commerce and the name of the scope segment where the scope applications can be found on Commerce's online e-filing and document management system, Antidumping and Countervailing Duty Electronic Service System (ACCESS).¹ This notice does not include applications which have been rejected and not properly resubmitted. The scope ruling applications listed below are available on ACCESS, at <https://access.trade.gov>.

Scope Ruling Applications

Aluminum Extrusions from the People's Republic of China (China) (A–570–967/C–570–968); aluminum pair ramps;² produced in and exported from China; submitted by Central Purchasing, LLC dba Harbor Freight Tools (Harbor Freight); June 1, 2022; ACCESS scope segment “Harbor Freight Aluminum Pair Ramps.”

Crystalline Silicon Photovoltaic Cells, Whether or Not Assembled into Modules (Solar Cells) from China (A–570–979/C–570–980); Power Solar 3-Port 100W solar panel (model A2431) (3 Port 100W Solar Panel);³ produced in

¹ See *Regulations to Improve Administration and Enforcement of Antidumping and Countervailing Duty Laws*, 86 FR 52300, 52316 (September 20, 2021) (“It is our expectation that the **Federal Register** list will include, where appropriate, for each scope application the following data: (1) identification of the AD and/or CVD orders at issue; (2) a concise public summary of the product's description, including the physical characteristics (including chemical, dimensional and technical characteristics) of the product; (3) the country(ies) where the product is produced and the country from where the product is exported; (4) the full name of the applicant; and (5) the date that the scope application was filed with Commerce.”).

² The products subject to Harbor Freight's request include aluminum pair ramps with bolted-on polyester straps with S-hooks and ratchets, produced in and exported from China under HTSUS code 8708.29.5060. The dimensions and loading capacities of the aluminum pair ramps are approx. 12 x 90 inches and 3,000 pounds, 13 x 77 inches and 1,250 pounds, and 12 x 90 inches and 1,500 pounds.

³ Anker's PowerSolar 3-Port 100W solar panel, Model A2431, is a foldable outdoor panel for charging cell phones and other portable electronic devices. The panel provides total maximum output of 100 Watts. The solar panel is laminated and encased in sewn fabric. The unfolded panel dimensions are approx. 57.7 x 20.7 x 1.8 inches (1,446 x 525 x 45 mm). The dimensions of the retracted case are approx. 20.7 x 18.5 x 3.3 inches (525 x 470 x 85 mm). The unit weighs approx. 11.0 lbs (5 kg). The solar cells have visible parallel grid collector metallic wire lines every 1 mm across each solar panel. The unit has two storage pockets for

⁵ For the full scope language, see the *Initiation and Preliminary Results* PDM at 2–3.

⁶ For a complete discussion of the information that BFI provided, including business proprietary information, and Commerce's complete successor-in-interest analysis, see the *Initiation and Preliminary Results* PDM.

⁷ See *Finished Carbon Steel Flanges from India: Final Results of Antidumping Duty Administrative Review*; 2019–2020, 87 FR 13703, 13704 (March 10, 2020).
