[Docket ID FEMA-2025-0002; Internal Agency Docket No. FEMA-B-2502]

Proposed Flood Hazard Determinations

AGENCY: Federal Emergency Management Agency, Department of Homeland Security.

ACTION: Notice.

SUMMARY: Comments are requested on proposed flood hazard determinations, which may include additions or modifications of any Base Flood Elevation (BFE), base flood depth, Special Flood Hazard Area (SFHA) boundary or zone designation, or regulatory floodway on the Flood Insurance Rate Maps (FIRMs), and where applicable, in the supporting Flood Insurance Study (FIS) reports for the communities listed in the table below. The purpose of this notice is to seek general information and comment regarding the preliminary FIRM, and where applicable, the FIS report that the Federal Emergency Management Agency (FEMA) has provided to the affected communities. The FIRM and FIS report are the basis of the floodplain management measures that the community is required either to adopt or to show evidence of having in effect in order to qualify or remain qualified for participation in the National Flood Insurance Program (NFIP).

DATES: Comments are to be submitted on or before May 27, 2025.

ADDRESSES: The Preliminary FIRM, and where applicable, the FIS report for each community are available for inspection at both the online location <https://hazards.fema.gov/femportal/prelimdownload> and the respective Community Map Repository address listed in the tables below. Additionally, the current effective FIRM and FIS

report for each community are accessible online through the FEMA Map Service Center at <https://msc.fema.gov> for comparison.

You may submit comments, identified by Docket No. FEMA-B-2502, to Rick Sacbibit, Chief, Engineering Services Branch, Risk Analysis, Planning & Information Directorate, FEMA, 400 C Street SW, Washington, DC 20472, (202) 646-7659, or (email) patrick.sacbibit@fema.dhs.gov.

FOR FURTHER INFORMATION CONTACT: Rick Sacbibit, Chief, Engineering Services Branch, Risk Analysis, Planning & Information Directorate, FEMA, 400 C Street SW, Washington, DC 20472, (202) 646-7659, or (email) patrick.sacbibit@fema.dhs.gov; or visit the FEMA Mapping and Insurance eXchange (FMIX) online at https://www.floodmaps.fema.gov/fhm/fmx_main.html.

SUPPLEMENTARY INFORMATION: FEMA proposes to make flood hazard determinations for each community listed below, in accordance with section 110 of the Flood Disaster Protection Act of 1973, 42 U.S.C. 4104, and 44 CFR 67.4(a).

These proposed flood hazard determinations, together with the floodplain management criteria required by 44 CFR 60.3, are the minimum that are required. They should not be construed to mean that the community must change any existing ordinances that are more stringent in their floodplain management requirements. The community may at any time enact stricter requirements of its own or pursuant to policies established by other Federal, State, or regional entities. These flood hazard determinations are used to meet the floodplain management requirements of the NFIP.

The communities affected by the flood hazard determinations are provided in the tables below. Any request for reconsideration of the revised flood hazard information shown on the Preliminary FIRM and FIS report

that satisfies the data requirements outlined in 44 CFR 67.6(b) is considered an appeal. Comments unrelated to the flood hazard determinations also will be considered before the FIRM and FIS report become effective.

Use of a Scientific Resolution Panel (SRP) is available to communities in support of the appeal resolution process. SRPs are independent panels of experts in hydrology, hydraulics, and other pertinent sciences established to review conflicting scientific and technical data and provide recommendations for resolution. Use of the SRP only may be exercised after FEMA and local communities have been engaged in a collaborative consultation process for at least 60 days without a mutually acceptable resolution of an appeal. Additional information regarding the SRP process can be found online at https://www.floodsrp.org/pdfs/srp_overview.pdf.

The watersheds and/or communities affected are listed in the tables below. The Preliminary FIRM, and where applicable, FIS report for each community are available for inspection at both the online location <https://hazards.fema.gov/femportal/prelimdownload> and the respective Community Map Repository address listed in the tables. For communities with multiple ongoing Preliminary studies, the studies can be identified by the unique project number and Preliminary FIRM date listed in the tables. Additionally, the current effective FIRM and FIS report for each community are accessible online through the FEMA Map Service Center at <https://msc.fema.gov> for comparison.

Partial Vacatur of 2024 Temporary Protected Status Decision for Haiti

AGENCY: U.S. Citizenship and Immigration Services (USCIS), Department of Homeland Security (DHS).

ACTION: Notice of Temporary Protected Status (TPS) partial vacatur.

SUMMARY: Through this notice, the Department of Homeland Security (DHS) announces that the Secretary of Homeland Security (Secretary) has decided to partially vacate the June 4, 2024, decision of former Secretary Alejandro Mayorkas regarding the extension of the designation of Haiti for Temporary Protected Status (TPS) and the new designation of Haiti for TPS. In

the 2024 action, former Secretary Mayorkas again extended the designation of Haiti for TPS for the statutory maximum of 18 months (until February 3, 2026), which covered approximately 199,445 Haitian nationals; and again newly designated Haiti for TPS, which had the effect of allowing approximately 321,349 additional Haitian nationals to qualify for the same 18-month period. For the reasons described in this notice, the Secretary has determined to partially vacate the June 4, 2024, decision by reducing the designation period from 18 months to 12 months. The Secretary is also making a corresponding change to the registration deadline for new applicants under the new designation. Accordingly, by operation of this notice, the Haiti TPS extension and new designation will expire on August 3, 2025, instead of February 3, 2026, and the first-time registration will remain in effect until August 3, 2025, instead of February 3, 2026.

DATES: The partial vacatur of the June 4, 2024, decision is effective immediately. Notice of the June 4, 2024, decision was published at 89 FR 54484 (July 1, 2024).

SUPPLEMENTARY INFORMATION:

I. Temporary Protected Status (TPS) Generally

The Immigration and Nationality Act (INA) authorizes the Secretary, after consultation with appropriate U.S. Government agencies, to designate a foreign state (or part thereof) for TPS if the Secretary determines that certain country conditions exist.¹ In the case of Haiti, the designation was based on former Secretary Mayorkas’ determination that “there exist extraordinary and temporary conditions in [Haiti] that prevent aliens who are nationals of [Haiti] from returning to [Haiti] in safety.” Former Secretary Mayorkas, however, failed to evaluate whether “permitting the aliens to remain temporarily in the United

¹ INA 244(b)(1), 8 U.S.C. 1254a(b)(1). Although section 244(b)(1) of the INA continues to refer to the Attorney General, this authority now resides with the Secretary of Homeland Security by operation of the Homeland Security Act of 2002, Public Law 107–296, 116 Stat. 2135, as amended. *See, e.g.*, 6 U.S.C. 557; 8 U.S.C. 1103(a)(1).
