Stainless Steel Butt-Weld Pipe Fittings From the Philippines: Preliminary Results of Antidumping Duty Administrative Review and Preliminary Determination of No Shipments; 2021-2022

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The U.S. Department of Commerce (Commerce) preliminarily determines that there were no shipments of merchandise subject to the antidumping duty (AD) order on stainless steel butt-weld pipe fittings (SSBWF) from the Philippines during the period of review (POR) February 1, 2021, through January 31, 2022, from any of the companies under review. We invite interested parties to comment on these preliminary results.

DATES: Applicable November 7, 2022.

FOR FURTHER INFORMATION CONTACT: Mark Flessner, AD/CVD Operations, Office VI, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482-6312.

SUPPLEMENTARY INFORMATION:

Background

On February 23, 2001, Commerce published the AD order on SSBWF from the Philippines in the **Federal Register**.¹ On February 8, 2022, we published a notice of opportunity to request an administrative review of the *Order* for the POR February 1, 2021, through January 31, 2022.² On February 28, 2022, Core Pipe Products, Inc. and Taylor Forge Stainless Inc. (collectively, the petitioners) timely requested an administrative review of the *Order* with respect to: E N Corporation (E N Corp.); Enlin Steel Corporation (Enlin); and Vinoc Corporation (a/k/a Vinoc Corporation) (collectively, Vinoc).³ On April 12, 2022, Commerce initiated an administrative review of these companies consistent with section 751(a)(1) of the Tariff Act of 1930, as amended (the Act).⁴

Commerce queried U.S. Customs and Border Protection (CBP) data to identify suspended entries of subject merchandise entered, or withdrawn from warehouse, for consumption during the POR from the companies under review. On April 18, 2022, Commerce placed the results of its CBP data query on the record.⁵ The CBP data

show no suspended entries of subject merchandise during the POR associated with the companies under review.

Commerce requested comments from interested parties on the CBP data.⁶ On April 25, 2022, the petitioners commented on the CBP data, alleging that entries during the POR could have been misreported; the petitioners provided information which, they contend, supports their allegation.⁷ Consequently, the petitioners requested that Commerce address evidence of evasion of the *Order*.⁸

Scope of the Order

For purposes of this *Order*, the product covered is certain stainless steel butt-weld pipe fittings (butt-weld fittings). Butt-weld pipe fittings are under 14 inches in outside diameter (based on nominal pipe size), whether finished or unfinished. The product encompasses all grades of stainless steel and "commodity" and "specialty" fittings. Specifically excluded from the definition are threaded, grooved, and bolted fittings, and fittings made from any material other than stainless steel. The butt-weld fittings subject to this order are generally designated under specification ASTM A403/A403M, the standard specification for Wrought Austenitic Stainless Steel Piping Fittings, or its foreign equivalents (e.g., DIN or JIS specifications). This specification covers two general classes of fittings, WP and CR, of wrought austenitic stainless steel fittings of seamless and welded construction covered by the latest revision of ANSI B16.9, ANSI B16.11, and ANSI B16.28. Butt-weld fittings manufactured to specification ASTM A774, or its foreign equivalents, are also covered by this *Order*.

This *Order* does not apply to cast fittings. Cast austenitic stainless steel pipe fittings are covered by specifications A351/A351M, A743/743M, and A744/A744M.

The butt-weld fittings subject to this *Order* are currently classifiable under subheadings 7307.23.00.30 and 7307.23.00.90 of the Harmonized Tariff Schedule of the United States (HTSUS). Although the HTSUS subheadings are provided for convenience and customs purposes, the written description of the scope of this *Order* is dispositive.
