Also on November 10, 2022, pursuant to 39 CFR 3040.180 *et seq.*, the Postal Service filed a request for classification changes concerning Global Reseller Expedited Package Contracts.² To support this request, the Postal Service filed a copy of the Governors' Decision No. 19-1, an application for nonpublic treatment of the Governors' Decision, and proposed changes to the MCS. *See* Competitive Classification Change Request, Attachments 1-3.

The Postal Service states that the removal of these MCS subsections conforms with the elimination of Priority Mail Regional Rate Boxes set forth in Governors' Decision No. 22-6, which was included in the Postal Service's Notice of Changes in Rates and Classifications of General Applicability for Competitive Products.³ The Postal Service asserts the proposed removal satisfies the criteria in 39 CFR 3040.132.
