Details on white papers requested for submission to the ASTS will also be given at the meeting.

Infrastructure Plan, including a taxonomy of aeronautics R&D, and expectations and potential outcomes of the Plans. The main purpose of the meeting is to obtain facts and information from individuals on these topic areas.

Following the public meeting on April 24, 2007, individuals in academia and industry and other aeronautics experts are invited to submit white papers to provide additional input into the development of the National Aeronautics R&D Plan and related Infrastructure Plan.
