Abstract: This is a request for an emergency clearance to enable FSA to ensure that the required operational changes can be implemented to allow for the benefits to be available to federal student loan borrowers as well as to remain in compliance with the statutory requirements.

Section 315 of Title III, Division H in the Consolidated Appropriations Act, 2018, (Pub. L. 115–141) included a provision for ED to implement “. . . a simple method for borrowers to apply for loan cancellation . . .” under a temporary expansion of the PSLF program. The Consolidated Appropriations Act, 2018, required ED to implement an application process within 60 days of enactment. To meet that requirement, we are requesting emergency clearance by May 21, 2018. We are also requesting the initiation of the full clearance review to allow for public comment on the process.

ED is requesting a new collection to be used to obtain information from federal student loan borrowers to make a determination of their eligibility for participation in the loan forgiveness mandated by the new appropriations law. This loan forgiveness is only available to Direct Loan borrowers who otherwise qualify for Public Service Loan Forgiveness (PSLF) and meet other new requirements.

Additional Information: An emergency clearance approval for the use of the system is described below due to the following conditions:
