INTERNATIONAL TRADE COMMISSION

[Investigation Nos. 701–TA–548 and 731–TA–1298 (Review)]

Welded Stainless Steel Pressure Pipe From India; Scheduling of Expedited Five-Year Reviews

AGENCY: International Trade Commission.

ACTION: Notice.

SUMMARY: The Commission hereby gives notice of the scheduling of expedited reviews pursuant to the Tariff Act of 1930 (“the Act”) to determine whether revocation of the antidumping and countervailing duty orders on welded stainless steel pressure pipe from India would be likely to lead to continuation or recurrence of material injury within a reasonably foreseeable time.

DATES: January 4, 2022.

FOR FURTHER INFORMATION CONTACT:

Alejandro Orozco (202–205–3177), Office of Investigations, U.S. International Trade Commission, 500 E Street SW, Washington, DC 20436. Hearing-impaired persons can obtain information on this matter by contacting the Commission’s TDD terminal on 202–205–1810. Persons with mobility impairments who will need special assistance in gaining access to the Commission should contact the Office of the Secretary at 202–205–2000. General information concerning the Commission may also be obtained by accessing its internet server (<https://www.usitc.gov>). The public record for these reviews may be viewed on the Commission’s electronic docket (EDIS) at <https://edis.usitc.gov>.

SUPPLEMENTARY INFORMATION:

Background.—On January 4, 2022, the Commission determined that the domestic interested party group response to its notice of institution (86

FR 54470, October 1, 2021) of the subject five-year reviews was adequate and that the respondent interested party group response was inadequate. The Commission did not find any other circumstances that would warrant conducting full reviews.¹ Accordingly, the Commission determined that it would conduct expedited reviews pursuant to section 751(c)(3) of the Tariff Act of 1930 (19 U.S.C. 1675(c)(3)).

For further information concerning the conduct of these reviews and rules of general application, consult the Commission’s Rules of Practice and Procedure, part 201, subparts A and B (19 CFR part 201), and part 207, subparts A, D, E, and F (19 CFR part 207).

Please note the Secretary’s Office will accept only electronic filings at this time. Filings must be made through the Commission’s Electronic Document Information System (EDIS, <https://edis.usitc.gov>). No in-person paper-based filings or paper copies of any electronic filings will be accepted until further notice.

Staff report.—A staff report containing information concerning the subject matter of the reviews has been placed in the nonpublic record, and will be made available to persons on the Administrative Protective Order service list for these reviews on March 24, 2022. A public version will be issued thereafter, pursuant to section 207.62(d)(4) of the Commission’s rules.

Written submissions.—As provided in section 207.62(d) of the Commission’s rules, interested parties that are parties to the reviews and that have provided individually adequate responses to the notice of institution,² and any party other than an interested party to the reviews may file written comments with the Secretary on what determinations the Commission should reach in the reviews. Comments are due on or before March 31, 2022 and may not contain new factual information. Any person that is neither a party to the five-year reviews nor an interested party may submit a brief written statement (which shall not contain any new factual information) pertinent to the reviews by March 31, 2022. However, should the Department of Commerce (“Commerce”) extend the time limit for its completion

¹ A record of the Commissioners’ votes is available from the Office of the Secretary and at the Commission’s website.

² The Commission has found the joint response to its Notice of Institution filed on behalf of Bristol Metals, LLC, Felker Brothers Corporation, and Primus Pipe & Tube, Inc., domestic producers of welded stainless steel pressure pipe, to be individually adequate. Comments from other interested parties will not be accepted (*see* 19 CFR 207.62(d)(2)).

of the final results of its reviews, the deadline for comments (which may not contain new factual information) on Commerce’s final results is three business days after the issuance of Commerce’s results. If comments contain business proprietary information (BPI), they must conform with the requirements of sections 201.6, 207.3, and 207.7 of the Commission’s rules. The Commission’s *Handbook on Filing Procedures*, available on the Commission’s website at https://www.usitc.gov/documents/handbook_on_filing_procedures.pdf, elaborates upon the Commission’s procedures with respect to filings.

In accordance with sections 201.16(c) and 207.3 of the rules, each document filed by a party to the reviews must be served on all other parties to the reviews (as identified by either the public or BPI service list), and a certificate of service must be timely filed. The Secretary will not accept a document for filing without a certificate of service.

Determination.—The Commission has determined these reviews are extraordinarily complicated and therefore has determined to exercise its authority to extend the review period by up to 90 days pursuant to 19 U.S.C. 1675(c)(5)(B).

Authority: These reviews are being conducted under authority of title VII of the Tariff Act of 1930; this notice is published pursuant to section 207.62 of the Commission’s rules.

By order of the Commission.

Issued: March 22, 2022.

Lisa Barton,

Secretary to the Commission.

Notice of Meeting—EOIR Case & Appeals System; Immigration Court Online Resource

AGENCY: Executive Office for Immigration Review, Justice.

ACTION: Notice of meeting.

SUMMARY: The Executive Office for Immigration Review (“EOIR”) invites interested parties to attend the first of a series of public forums about its Access EOIR initiative. During the session, agency senior leadership will be available to listen to comments, compliments, and concerns from stakeholders regarding two of EOIR’s web-based initiatives: EOIR Courts &

Appeals System (“ECAS”), and Immigration Court Online Resource (“ICOR”).

DATES: The public forum will be held on Wednesday, March 30, 2022, from 2:00–3:00 p.m. EDT (ECAS session) and from 3:00–4:00 p.m. EDT (ICOR session).

ADDRESSES: The public forum will be held online via GoToWebinar. Please RSVP to EngagewithEOIR@usdoj.gov by 5:00 p.m. EDT on March 28, 2022, with the name(s) of the attendee(s), any relevant organization, and a valid email address.

FOR FURTHER INFORMATION CONTACT: Lauren Alder Reid, Assistant Director, Office of Policy, Executive Office for Immigration Review, 5107 Leesburg Pike, Falls Church, VA 22041, telephone (703) 305–0289.

I. Background

EOIR is hosting the first of a series of public engagement sessions regarding the Access EOIR Initiative. See Executive Office for Immigration Review, *EOIR Announces “Access EOIR” Initiative: Agency Launches New Counsel and Training Programs* (Sept. 28, 2021), available at <https://www.justice.gov/eoir/pr/eoir-announces-access-eoir-initiative>. Access EOIR is intended to improve access to pertinent information and resources for respondents and practitioners appearing before the immigration courts and general information of interest to the public. Two efforts of the initiative will be the focus of the online public forum on March 30, 2022.

The first effort that will be addressed is ECAS, which is part of an overarching information technology modernization effort at EOIR. ECAS was first introduced in July 2018 to phase out paper filing and processing and to retain all records and case-related documents in electronic format. ECAS supports the full life cycle of immigration cases including: Electronic filing of court and appeals documents, processing and receiving filings, maintaining electronic Records of Proceedings (eROPs), preparing case information, conducting a hearing, and adjudicating appeals. ECAS is now fully implemented at all immigration courts and adjudication centers and at the Board of Immigration Appeals, and as of February 11, 2022, DHS and all attorneys and fully accredited representatives are required to electronically file documents in all cases eligible for electronic filing. 8 CFR 1003.2(g)(4), 1003.31(a); see also Executive Office for Immigration Review Electronic Case Access and Filing, 86 FR 70708 (Dec. 13, 2021)

(final rule implementing mandatory electronic filing in eligible cases).

The second system that will be addressed is ICOR, which is a web-based and mobile friendly tool that provides respondents, practitioners, and other interested parties with a centralized location for resources pertaining to immigration proceedings before EOIR. ICOR provides information to help respondents learn about and prepare for immigration proceedings, including a tool to access general information about the forms of relief and protection from removal. ICOR also provides information for practitioners, including information on practice before EOIR’s adjudicators. Currently, ICOR is available in English, Spanish, Chinese, Haitian Creole, Portuguese, and Punjabi.

II. Agenda

From 2:00–3:00 p.m. EDT on March 30, 2022, members of the public are invited to provide feedback on ECAS and its recent implementation nationwide. Feedback that would be most useful to the agency would include comments—either positive or negative—related to the ECAS user experience, along with any suggestions for improvements to ECAS now that its functionalities have been fully implemented.

From 3:00–4:00 p.m. EDT on March 30, 2022, members of the public are invited to provide feedback on ICOR. The agency similarly welcomes all feedback from the public, whether positive or negative, regarding the utility and functionality of ICOR, along with any suggestions for changes or improvements to ICOR.

Public Participation

This meeting is open to all members of the public who RSVP to EngagewithEOIR@usdoj.gov by 5:00 p.m. EDT on March 28, 2022, with the name(s) of the attendee(s), any relevant organization, and a valid email address. EOIR will send webinar information and an agenda to those who RSVP. Attendance for this program will be limited to 500 participants.

In addition, EOIR welcomes written feedback from the public on these topics. Written submissions are due no later than 5:00 p.m. EDT on Friday, April 29, 2022.

All media inquiries should be directed to the Communications and

Legislative Affairs Division at pao.eoir@usdoj.gov.
