

There are currently 743 registrants governed by Rule 11a-2. The Commission includes the estimated burden of complying with the information collection required by Rule 11a-2 in the total number of burden hours estimated for completing the relevant registration statements and reports the burden of Rule 11a-2 in the separate PRA submissions for those registration statements (see the separate PRA submissions for Form N-3 (17 CFR 274.11b), Form N-4 (17 CFR 274.11c) and Form N-6 (17 CFR 274.11d)). The Commission is requesting a burden of one hour for Rule 11a-2 for administrative purposes.

The estimate of average burden hours is made solely for the purposes of the Paperwork Reduction Act, and is not derived from a comprehensive or even a representative survey or study of the costs of Commission rules or forms. With regard to Rule 11a-2, the Commission includes the estimate of burden hours in the total number of burden hours estimated for completing the relevant registration statements and reported on the separate PRA submissions for those statements (see the separate PRA submissions for Form N-3, Form N-4 and Form N-6). The information collection requirements imposed by Rule 11a-2 are mandatory. Responses to the collection of information will not be kept confidential.

Written comments are invited on: (a) Whether the collection of information is necessary for the proper performance of the functions of the Commission, including whether the information has practical utility; (b) the accuracy of the Commission's estimate of the burden of the collection of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication.

Abstract of Proposed Collection

The information requested will be used to support entry of a minor's (an unmarried person under 18) name into the Children's Passport Issuance Alert Program (CPIAP). CPIAP provides a mechanism for parents or other persons with legal custody of a minor to obtain information regarding whether the Department has received a passport application for the minor. This program was developed as a means to prevent international abduction of a minor or to help prevent other travel of a minor without the consent of a parent or legal guardian. If a minor's name and other identifying information has been entered into the CPIAP, when the Department receives an application for a new, replacement, or renewed passport for the minor, the application will be placed on hold for up to 60 days and the Office of Children's Issues will attempt to notify the requestor of receipt of the application. Form DS-3077 will be primarily submitted by a parent or legal guardian of a minor.

Methodology

The completed form DS-3077 may be submitted to the Office of Children's Issues by mail, by fax, or electronically through <http://www.travel.state.gov>.

Dated: April 19, 2009.
