Public Water System Supervision Program Revision for the State of Georgia

AGENCY: Environmental Protection Agency (EPA).

ACTION: Notice of tentative approval.

SUMMARY: Notice is hereby given that the State of Georgia is revising its approved Public Water System Supervision Program. Georgia has adopted drinking water regulations requiring consumer confidence reports from all community water systems, defining analytical methods for radionuclides, removing prohibition of the use of point of use devices, requiring special monitoring for inorganic and organic contaminants and revising definitions for administrative penalty authority, public water system, and existing variance and exemption regulations. EPA has determined that these revisions are no less stringent than the corresponding federal regulations. Therefore, EPA intends on approving this State program revision.

All interested parties may request a public hearing. A request for a public hearing must be submitted by December 30, 2000 to the Regional Administrator at the address shown below. Frivolous or insubstantial requests for a hearing may be denied by the Regional Administrator. However, if a substantial request for a public hearing is made by December 30, 2000, a public hearing will be held. If no timely and appropriate request for a hearing is received and the Regional Administrator does not elect to hold a hearing on his own motion, this determination shall become final and effective on December 30, 2000. Any request for a public hearing shall include the following information: The name, address, and telephone number of the individual organization, or other entity requesting a hearing; A brief statement of the requesting person's interest in the Regional Administrator's determination and a brief statement of the information that the requesting person intends to submit at such hearing; and the signature of the individual making the request, or, if the request is made on behalf of an organization or other entity, the signature of a responsible official of the organization or other entity.

ADDRESSES: All documents relating to this determination are available for inspection between the hours of 8:00 a.m. and 4:30 p.m., Monday through Friday, at the following offices:

Department of Natural Resources, Environmental Protection Division, Water Resources Branch, 205 Bulter Street, S.E., Atlanta, GA 30334 or at the Environmental Protection Agency, Region 4, Drinking Water Section, 61 Forsyth Street Southwest, Atlanta, Georgia 30303.

FOR FURTHER INFORMATION CONTACT: Lori Brown, EPA Region 4, Drinking Water Section at the Atlanta address given above or at telephone (404)562-9482.

Authority: (Section 1420 of the Safe Drinking Water Act, as amended (1996), and 40 CFR part 142 of the National Primary Drinking Water Regulations)

Dated: November 16, 2000.

Michael V. Peyton,

Acting Regional Administrator, Region 4.

Public Water Supervision Program Revision for the State of Tennessee

AGENCY: Environmental Protection Agency (EPA).

ACTION: Notice of tentative approval.

SUMMARY: Notice is hereby given that the State of Tennessee is revising its approved Public Water System Supervision Program. Tennessee has adopted drinking water regulations establishing administrative penalty authority, and which revise the definition of a Public Water System. EPA has determined that the administrative penalty authority revisions meet all minimum federal requirements, and that the Public Water System definition revisions are no less stringent than the corresponding federal regulations. Therefore, EPA intends to approve these State program revisions.
