

may request include forms or non-standardized evidence to support the request [e.g., pay stubs, bank statements, pension award letters, tax documents, child support payment history, etc.]). From this screen, the individual will be able to upload the corresponding files from an electronic device. Once they finish uploading the documents, the respondents must select the Submit button to complete the action and the system will present them with an indicator of success or failure. The system will notify the technician through the Technician Experience Dashboard (TED) when the document is available for review and consideration.

The second release of Upload Documents (eSubmit) will include an electronic signature functionality that

will allow respondents to submit some forms requiring signature.

Respondents are first-party individuals who choose to use the internet to conduct business with us. To ensure Upload Documents (eSubmit) will collect respondents' legally enforceable electronic signature, SSA developed an electronic signing process in consideration of the five requirements for a legally valid and binding electronic signature established by the General Services Administration, Federal Chief Information Officers Council guidance in *Use of Electronic Signatures in Federal Organization Transactions*: (1) Identification and Authentication of Signer; (2) Electronic Form of Signature; (3) Intent to Sign; (4) Signature Attached to or Associated

with the Signed Electronic Record; and (5) Preservation of the Integrity of the Record. Our new Upload Documents (eSubmit) platform will incorporate these requirements for the second release, thereby allowing us to accept electronically signed forms and documents through the new Upload Documents (eSubmit) portal. To ensure our system is prepared to accept forms electronically signed in this manner, we will complete periodic future releases after the second release to allow Upload Documents (eSubmit) to accept more agency forms in the future.

Respondents are first-party individuals who choose to use the internet to conduct business with us.

Type of Request: Request for a new information collection.

Modality of completion	Number of respondents	Frequency of response	Average burden per response (minutes)	Estimated total annual burden (hours)	Average theoretical hourly cost amount (dollars)*	Average wait time for teleservice center (minutes)**	Total annual opportunity cost (dollars)**
Internet version Release #1	904,569	1	7	105,533	* \$28.01	** 19	*** \$10,979,357
Internet Version Release #2	960,196	1	7	112,023	* 28.01	** 19	*** 11,649,539
Totals	1,864,765	217,556	* 28.01	** 19	*** 22,628,896

* We based these figures on average U.S. worker's hourly wages (based on BLS.gov data, https://www.bls.gov/oes/current/oes_nat.htm).

** We based this figure on average FY 2023 wait times for teleservice centers (approximately 19 minutes per respondent), based on SSA's current management information data.

*** This figure does not represent actual costs that SSA is imposing on recipients of Social Security payments to complete this application; rather, these are theoretical opportunity costs for the additional time respondents will spend to complete the application. *There is no actual charge to respondents to complete the application.*
