

for which they did not know their merchandise was destined for the United States, or for entries associated with Synn, who had no shipments during the POR, we will instruct CBP to liquidate unreviewed entries at the all-others rate if there is no rate for the intermediate company(ies) involved in the transaction.

The final results of this review shall be the basis for the assessment of antidumping duties on entries of merchandise covered by the final results of this review and for future deposits of estimated duties, where applicable.<sup>12</sup>

Consistent with its recent notice,<sup>13</sup> Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of the final results of this review in the **Federal Register**. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (*i.e.*, within 90 days of publication).

#### Cash Deposit Requirements

The following cash deposit requirements will be effective for all shipments of subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date of the final results of this administrative review, as provided by section 751(a)(2)(C) of the Act: (1) The cash deposit rate for the companies listed above will be equal to the weighted-average dumping margins established in the final results of this administrative review; (2) for merchandise exported by producers or exporters not covered in this review but covered in a prior completed segment of the proceeding, the cash deposit rate will continue to be the company-specific rate published for the most recent period; (3) if the exporter is not a firm covered in this review, a prior review, or the original investigation, but the producer has been covered in a prior complete segment of this proceeding, then the cash deposit rate will be the rate established for the most recent period for the producer of the merchandise; (4) the cash deposit rate for all other manufacturers or exporters will continue to be 3.66 percent,<sup>14</sup> the

all-others rate from the *Amended Final Determination*. These cash deposit requirements, when imposed, shall remain in effect until further notice.

#### Notification to Importers

This notice also serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

#### Notification Regarding Administrative Protective Order

This notice also serves as a reminder to parties subject to administrative protective order (APO) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and the terms of an APO is a sanctionable violation.

#### Notification to Interested Parties

We are issuing and publishing these final results of administrative review in accordance with sections 751(a)(1) and 777(i) of the Act, and 19 CFR 351.221(b)(5).

Dated: May 20, 2021.

#### Certain Softwood Lumber Products From Canada: Preliminary Results and Partial Rescission of the Countervailing Duty Administrative Review, 2019

**AGENCY:** Enforcement and Compliance, International Trade Administration, Department of Commerce.

**SUMMARY:** The Department of Commerce (Commerce) preliminarily determines that countervailable subsidies are being provided to producers and exporters of certain softwood lumber products (softwood lumber) from Canada. The period of review is January 1, 2019, through December 31, 2019. Interested parties are invited to comment on these preliminary results.

**DATES:** Applicable May 27, 2021.

**FOR FURTHER INFORMATION CONTACT:** Jonathan Hall-Eastman (Canfor), John Hoffner (JDIL), Kristen Johnson/Samuel Brummitt (Resolute), and Laura Griffith (West Fraser), AD/CVD Operations, Office III, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482-1468, (202) 482-3315, (202) 482-4793/(202) 482-7851, and (202) 482-6430, respectively.

#### SUPPLEMENTARY INFORMATION:

##### Background

On January 3, 2018, Commerce published in the **Federal Register** the countervailing duty (CVD) order on softwood lumber from Canada.<sup>1</sup> Several interested parties requested that Commerce conduct an administrative review of the *CVD Order* and, on March 10, 2020, Commerce published in the **Federal Register** a notice of initiation of the second administrative review.<sup>2</sup> On May 19, 2020, Commerce selected the following producers and exporters as the mandatory respondents in the administrative review: Canfor Corporation, Resolute FP Canada Inc., and West Fraser Mills Ltd.<sup>3</sup> On September 14, 2020, Commerce selected

Commerce tolled all deadlines in administrative reviews by 50 days on April 24, 2020, and by an additional 60 days on July 21, 2020,<sup>5</sup> thereby extending the deadline for these preliminary results until January 21, 2021. On December 2, 2020, Commerce extended the deadline for the preliminary results of this administrative review to May 20, 2021, in accordance with 19 CFR 351.213(h)(2).<sup>6</sup>

### Scope of the Order

The product covered by this order is certain softwood lumber products from Canada. For a complete description of the scope of the *CVD Order*, see the Preliminary Decision Memorandum.<sup>7</sup>

### Methodology

Commerce is conducting this CVD administrative review in accordance with section 751(a)(1)(A) of the Tariff Act of 1930, as amended (the Act). For each of the subsidy programs found countervailable, Commerce preliminarily determines that there is a subsidy, *i.e.*, a financial contribution by an “authority” that confers a benefit to the recipient, and that the subsidy is specific.<sup>8</sup> For a full description of the methodology underlying our preliminary conclusions, see the Preliminary Decision Memorandum.

<sup>4</sup> See Commerce’s Letter, “Second Administrative Review of the Countervailing Duty Order on Certain Softwood Lumber Products from Canada: Selection of JD Irving, Ltd. as a Voluntary Respondent,” September 14, 2020.

<sup>5</sup> See Memorandum, “Tolling of Deadlines for Antidumping and Countervailing Duty Administrative Reviews in Response to Operational Adjustments Due to COVID-19,” dated April 24, 2020; see also Memorandum, “Tolling of Deadlines for Antidumping and Countervailing Duty Administrative Reviews,” dated July 21, 2020.

<sup>6</sup> See Memorandum, “Certain Softwood Lumber Products from Canada: Extension of Deadline for Preliminary Results of Countervailing Duty Administrative Review, 2019,” dated December 2, 2020.

<sup>7</sup> See Memorandum, “Decision Memorandum for the Preliminary Results of Administrative Review of the Countervailing Duty Order on Certain Softwood Lumber Products from Canada: 2019,” dated concurrently with, and hereby adopted by, this notice (Preliminary Decision Memorandum). The Preliminary Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance’s Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <https://access.trade.gov>. In addition, a complete version of the Preliminary Decision Memorandum can be accessed directly on the internet at <http://enforcement.trade.gov/frn/index.html>.

<sup>8</sup> See sections 771(5)(B) and (D) of the Act regarding financial contribution; section 771(5)(E) of the Act regarding benefit; and section 771(5A) of the Act regarding specificity.

The list of topics discussed in the Preliminary Decision Memorandum is included at Appendix I.

### Partial Rescission of Administrative Review

As a result of the final results of the CVD expedited review covering the *CVD Order*, subject merchandise produced and exported by certain companies is excluded from the *CVD Order*.<sup>9</sup>

On May 6, 2021, Commerce issued a memorandum regarding its intent to rescind this administrative review, in part, for the companies excluded from the *CVD Order*.<sup>10</sup> No interested party submitted comments on the Intent to Rescind Review In Part Memorandum. We therefore are rescinding the administrative review with respect to D&G, MLI, NAFF, Roland, and Lemay for which there was a request for review.

Subject merchandise which D&G, MLI, NAFF, Roland, and Lemay exports but does not produce, as well as subject merchandise that D&G, MLI, NAFF, Roland, and Lemay produces but is exported by another company, remains subject to the *CVD Order*. Based on the facts of this administrative review, we are also rescinding the review of D&G, MLI, NAFF, Roland, and Lemay where they may have been the producer or exporter given that there were no such entries during the POR. For further information on the companies excluded from the *CVD Order*, see “Non-Shipment Claim and Partial Rescission of Review” in the Preliminary Decision Memorandum.

### Rate for Non-Selected Companies Under Review

There are 261 companies for which a review was requested and not rescinded, but were not selected as mandatory respondents. The statute and Commerce’s regulations do not directly address the establishment of rates to be applied to companies not selected for individual examination where Commerce limits its examination in an administrative review pursuant to section 777A(e)(2) of the Act. However, Commerce normally determines the

rates for non-selected companies in reviews in a manner that is consistent with section 705(c)(5) of the Act, which provides instructions for calculating the all-others rate in an investigation.

Section 705(c)(5)(A)(i) of the Act instructs Commerce, as a general rule, to calculate an all-others rate equal to the weighted average of the countervailable subsidy rates established for exporters and/or producers individually examined, excluding any zero, *de minimis*, or rates based entirely on facts available. In this review, none of the rates for the respondents were zero, *de minimis*, or based entirely on facts available. Therefore, for the POR, we are assigning to the non-selected companies an average of the subsidy rates calculated for the companies that were selected as respondents in the administrative review.

For further information on the calculation of the non-selected rate, see “Preliminary *Ad Valorem* Rate for Non-Selected Companies under Review” in the Preliminary Decision Memorandum. A list of all the non-selected companies is included in Appendix II.

### Preliminary Results of Review

For the period January 1, 2019, through December 31, 2019, we preliminarily determine the following estimated countervailable subsidy rates:

Companies	Subsidy rate (percent) ad valorem
Canfor Corporation and its cross-owned affiliates <sup>11</sup> .....	2.42
J.D. Irving, Limited and its cross-owned affiliates <sup>12</sup> .....	3.77
Resolute FP Canada Inc. and its cross-owned affiliates <sup>13</sup> ...	18.17
West Fraser Mills Ltd. and its cross-owned affiliates <sup>14</sup> .....	4.80
Non-Selected Companies .....	6.27

### Assessment Rate

In accordance with 19 CFR 351.221(b)(4)(i), Commerce has preliminarily assigned subsidy rates as

<sup>11</sup> Commerce finds the following companies to be cross-owned with Canfor Corporation: Canadian Forest Products, Ltd. and Canfor Wood Products Marketing, Ltd.

<sup>12</sup> Commerce finds the following companies to be cross-owned with J.D. Irving, Limited: Miramichi Timber Holdings Limited, The New Brunswick Railway Company, Rothesay Paper Holdings Ltd., and St. George Pulp & Paper Limited.

<sup>13</sup> Commerce finds the following companies to be cross-owned with Resolute: Resolute Growth Canada Inc., Produits Forestiers Maurice S.E.C., and Resolute Forest Products Inc.

<sup>14</sup> Commerce finds the following companies to be cross-owned with West Fraser: West Fraser Timber Co., Ltd., Blue Ridge Lumber Inc., Sunpine Inc., Sundre Forest Products Inc., Manning Forest Products, and West Fraser Alberta Holdings.

<sup>9</sup> See *Certain Softwood Lumber Products from Canada: Final Results of Countervailing Duty Expedited Review*, 84 FR 32121 (July 5, 2019). The excluded companies are: Les Produits Forestiers D&G Ltee (D&G), Marcel Lauzon Inc. (MLI), North American Forest Products Ltd. (NAFF) (located in Saint-Quentin, New Brunswick), Roland Boulanger & Cie Ltee (Roland), and Scierie Alexandre Lemay & Fils Inc. (Lemay).

<sup>10</sup> See Memorandum, “Administrative Review of the Countervailing Duty Order on Certain Softwood Lumber Products from Canada: Intent to Rescind the 2019 Administrative Review, in Part,” dated May 6, 2021 (Intent to Rescind Review In Part Memorandum).

indicated above. Consistent with section 751(a)(2)(C) of the Act, upon issuance of the final results, Commerce shall determine, and U.S. Customs and Border Protection (CBP) shall assess, countervailing duties on all appropriate entries covered by this review. Commerce intends to issue assessment instructions to CBP no earlier than 41 days after the date of publication of the final results of this review in the **Federal Register**, in accordance with 19 CFR 356.8(a). If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for statutory injunction has expired (*i.e.*, within 90 days of publication).

### Cash Deposit Rate

Pursuant to section 751(a)(1) of the Act, Commerce intends to instruct CBP to collect cash deposits of estimated countervailing duties in the amounts indicated above with regard to shipments of subject merchandise entered, or withdrawn from warehouse, for consumption on or after the date of publication of the final results of this review. For all non-reviewed companies, we will instruct CBP to collect cash deposits of estimated countervailing duties at the most recent company-specific or all-others rate applicable to the company, as appropriate. These cash deposit requirements, when imposed, shall remain in effect until further notice.

### Disclosure and Public Comment

Commerce intends to disclose to parties to this proceeding the calculations performed in reaching these preliminary results within five days of publication of this notice in the **Federal Register**.<sup>15</sup> Interested parties may submit written comments (case briefs) within 30 days of publication of the preliminary results. Rebuttal comments (rebuttal briefs), limited to issues raised in case briefs, are due within seven days after the time limit for filing case briefs.<sup>16</sup> Parties who submit arguments are requested to submit with the argument: (1) A statement of the issue; (2) a brief summary of the argument; and (3) a table of authorities.<sup>17</sup> Note that Commerce has temporarily modified certain of its requirements for serving

documents containing business proprietary information, until further notice.<sup>18</sup>

Interested parties who wish to request a hearing must do so within 30 days of publication of these preliminary results by submitting a written request to the Assistant Secretary for Enforcement and Compliance using ACCESS.<sup>19</sup> Requests should contain the party's name, address, and telephone number; the number of participants and whether any participant is a foreign national; and a list of the issues to be discussed. Issues raised in the hearing will be limited to those raised in the respective case and rebuttal briefs.<sup>20</sup> If a request for a hearing is made, Commerce intends to hold the hearing at a time and date to be determined. Parties should confirm the date and time of the hearing two days before the scheduled date. Parties are reminded that all briefs and hearing requests must be filed electronically using ACCESS and received successfully in their entirety by 5:00 p.m. Eastern Time on the due date.

Unless the deadline is extended pursuant to section 751(a)(3)(A) of the Act, Commerce intends to issue the final results of this administrative review, including the results of its analysis of the issues raised by parties in their comments, within 120 days after the date of publication of these preliminary results.

### Notification to Interested Parties

These preliminary results are issued and published in accordance with sections 751(a)(1) and 777(i)(1) of the Act, and 19 CFR 351.221(b)(4).

Dated: May 20, 2021.
