

All submissions should refer to File Number SR–NYSEArca–2014–114. This file number should be included on the subject line if email is used. To help the Commission process and review your comments more efficiently, please use only one method. The Commission will post all comments on the Commission's Internet Web site (<http://www.sec.gov/rules/sro.shtml>). Copies of the submission, all subsequent amendments, all written statements with respect to the proposed rule change that are filed with the Commission, and all written communications relating to the proposed rule change between the Commission and any person, other than those that may be withheld from the public in accordance with the provisions of 5 U.S.C. 552, will be available for Web site viewing and printing in the Commission's Public Reference Room, 100 F Street NE., Washington, DC 20549, on official business days between the hours of 10 a.m. and 3 p.m. Copies of the filing also will be available for inspection and copying at the principal office of the Exchange. All comments received will be posted without change; the Commission does not edit personal identifying information from submissions. You should submit only information that you wish to make available publicly. All submissions should refer to File Number SR–NYSEArca–2014–114 and should be submitted on or before February 12, 2015.

V. Accelerated Approval of Proposed Rule Change as Modified by Amendment Nos. 1 and 2

The Commission finds good cause to approve the proposed rule change, as modified by Amendments No. 1 and No. 2, prior to the thirtieth day after the date of publication of notice of the amendments in the **Federal Register**. Amendment No. 1 supplements the proposed rule change by, among other things, supplementing the information that will be provided regarding the Disclosed Portfolios of the Funds. The Commission believes that dissemination of this additional information should aid in the pricing of the Shares. Amendment No. 2 modifies the proposed rule change by specifying (1) the minimum par amounts outstanding for the corporate bonds that generally will be held by the Funds; and (2) portfolio concentration limits for fixed income securities held by the Funds. This assisted the Commission in evaluating the liquidity of certain types of potential holdings and the susceptibility of the Shares to price

manipulation. Accordingly, the Commission finds good cause, pursuant to Section 19(b)(2) of the Act,³¹ to approve the proposed rule change, as modified by Amendment Nos. 1 and 2, on an accelerated basis.

IV. Conclusion

It is therefore ordered, pursuant to Section 19(b)(2) of the Act,³² that the proposed rule change as modified by Amendments No. 1 and No. 2 (SR–NYSEArca–2014–114) be, and it hereby is, approved on an accelerated basis.

For the Commission, by the Division of Trading and Markets, pursuant to delegated authority.³³

Brent J. Fields,
Secretary.

We are soliciting public comments to permit the Department to:

- Evaluate whether the proposed information collection is necessary for the proper functions of the Department.
- Evaluate the accuracy of our estimate of the time and cost burden for this proposed collection, including the validity of the methodology and assumptions used.
- Enhance the quality, utility, and clarity of the information to be collected.

- Minimize the reporting burden on those who are to respond, including the use of automated collection techniques or other forms of information technology.

Please note that comments submitted in response to this Notice are public

record. Before including any detailed personal information, you should be aware that your comments as submitted, including your personal information, will be available for public review.

Abstract of proposed collections: The export, temporary import, and brokering of defense articles, defense services, and related technical data are licensed by the Directorate of Defense Trade Controls (DDTC) in accordance with the International Traffic in Arms Regulations ("ITAR," 22 CFR 120–130) and Section 38 of the Arms Export Control Act. Those who manufacture or export defense articles, defense services, and related technical data, or the brokering thereof, must register with the Department of State. Persons desiring to engage in export, temporary import, and brokering activities must submit an application or written request to conduct the transaction to the Department to obtain a decision whether it is in the interests of U.S. foreign policy and national security to approve the transaction. Also, registered brokers must submit annual reports regarding all brokering activity that was transacted, and registered manufacturers and exporter must maintain records of defense trade activities for five years.

- **1405–0003, Application/License for Permanent Export of Unclassified Defense Articles and Related Unclassified Technical Data:** This form is an application that, when completed and officially approved by PM/DDTC, Department of State, constitutes the official record and authorization for the permanent commercial export of unclassified U.S. Munitions List articles and technical data, pursuant to the Arms Export Control Act and the International Traffic in Arms Regulations.

- **1405–0013, Application/License for Temporary Import of Unclassified Defense Articles:** This form is an application that, when completed and officially approved by PM/DDTC, Department of State, constitutes the official record and authorization for the temporary commercial import of unclassified U.S. Munitions List articles, pursuant to the Arms Export Control Act and the International Traffic in Arms Regulations.
