The Institute of Museum and Library Services is the primary source of federal support for the nation's libraries and museums. II. Current Actions

Pursuant to Public Law 107-279, this SLAA Survey collects biennial descriptive data on the universe of SLAAs in the United States. SLAAs are the official agencies of each state charged by state law with the extension and development of public library services throughout the state (20 U.S.C. 9122). The purpose of this survey is to

provide state and federal policymakers with information about SLAAs, including their governance, allied operations, developmental services to libraries and library systems, support of electronic information networks and resources, number and types of outlets, and direct services to the public. Because the FY 2022 collection will not begin until early 2023, we are carrying over the documentation and estimated burden associated with the FY 2020 data. The SLAA Survey has been conducted by the Institute of Museum and Library Services under the clearance number 3137-0072, which expires October 31, 2023. This action is to request a new three-year approval.

At the conclusion of pre-complaint (Informal) process and if resolution was unsuccessful, the EEO Counselor during the final interview with the aggrieved person must discuss what occurred during the counseling process and provide the aggrieved with information to move the matter forward. Pursuant to 29 CFR 1614.105(c), if the aggrieved individual decides to file a Formal complaint (*i.e.*, NRC Form 646), the EEO Counselor must submit a written report (*i.e.*, EEO Counselors Report) within fifteen (15) calendar days to the Office of Small Business and Civil Rights Director or designated official that will contain relevant information about the aggrieved individual, jurisdiction, claims, bases, Responding Management Officials, witnesses, requested remedies, and the EEO Counselor's checklist.
