SUPPLEMENTARY INFORMATION:

Beneficiaries file a Claim for Medical Reimbursement, Form OWCP–915, to obtain reimbursement for out-of-pocket covered medical expenses paid by a beneficiary. Required billing data elements (prepared by the medical provider) and proof of payment by the beneficiary must accompany the claims form. While not expected to change respondent burden, this ICR has been characterized as a revision because the agency has reformatted elements of Form OWCP–915 (e.g., replaced an obsolete logo with the DOL Seal, provided an additional notice on the rights of respondents with disabilities,

and removed references to the no longer existent Employment Standards Administration).

This information collection is subject to the PRA. A Federal agency generally cannot conduct or sponsor a collection of information, and the public is generally not required to respond to an information collection, unless it is approved by the OMB under the PRA and displays a currently valid OMB Control Number. In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information that does not display a valid Control Number. See 5 CFR 1320.5(a) and 1320.6. The DOL obtains OMB approval for this information collection under Control Number 1240–0007. The current approval is scheduled to expire on December 31, 2012; however, it should be noted that existing information collection requirements submitted to the OMB receive a month-to-month extension while they undergo review. For additional information, see the related notice published in the **Federal Register** on September 17, 2012 (77 FR 57161).
