Shanghai Three Star Stationery Industry Co., Ltd	3.06
Orient International Holding Shanghai Foreign Trade Corporation	1.66

In the event the CIT's ruling is not appealed or, if appealed, upheld by the CAFC, the Department will instruct U.S. Customs and Border Protection to assess antidumping duties on entries of the subject merchandise during the POR from China First, Three Star, and SFTC based on the revised assessment rates calculated by the Department.

This notice is issued and published in accordance with sections 516A(e)(1), 751(a)(1), and 777(i)(1) of the Act.

Dated: January 11, 2011.

Ronald K. Lorentzen,

Deputy Assistant Secretary for Import Administration.

Certain Preserved Mushrooms From the People's Republic of China; Extension of Time Limit for Final Results of Antidumping Duty New Shipper Reviews

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

DATES: *Effective Date:* January 25, 2011.

FOR FURTHER INFORMATION CONTACT: Scott Hoefke or Fred Baker, AD/CVD Operations, Office 7, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; telephone: (202) 482-4947 or (202) 482-2924, respectively.

SUPPLEMENTARY INFORMATION:

Background

On March 31, 2010, the Department of Commerce (the Department) published in the **Federal Register** the initiation of two new shipper reviews (NSRs) of the antidumping duty order on certain preserved mushrooms from the People's Republic of China, covering the period of February 1, 2009, to January 31, 2010. *See Certain Preserved Mushrooms From the People's Republic of China: Notice of Initiation of Antidumping Duty New Shipper Reviews*, 75 FR 16075 (March 31, 2010). On October 29, 2010, the Department published in the **Federal**

Register the preliminary results for the NSRs. *See Certain Preserved Mushrooms From the People's Republic of China: Preliminary Results of Antidumping Duty New Shipper Reviews*, 75 FR 66729 (October 29, 2010). The current deadline for the final results of these reviews is January 20, 2011. These reviews cover Shandong Fengyu Edible Fungus Co., Ltd. and Zhangzhou Tongfa Foods Industry Co., Ltd.

Extension of Time Limits for Preliminary Results of Review

Section 751(a)(2)(B)(iv) of the Tariff Act of 1930, as amended (the Act), and 19 CFR 351.214(i)(1), require the Department to complete the final results of an NSR of an antidumping duty order within 90 days after the date on which the preliminary results were issued. However, the Department may extend the deadline for completion of the final results of an NSR to 150 days if it determines the case is extraordinarily complicated. *See* section 751(a)(2)(B)(iv) of the Act and 19 CFR 351.214(i)(2).

The Department finds these NSRs are extraordinarily complicated and, therefore, it requires additional time to complete the preliminary results. Specifically, the Department requires additional time to analyze the extensive entry and sales documentation for the two respondents, and various issues that arise from these documents. Accordingly, the Department is extending the time limit for completion of the preliminary results of these NSRs by 60 days (*i.e.*, until March 21, 2011).

This extension is issued and published in accordance with section 751(a)(2)(B)(iv) of the Act and 19 CFR 351.214(i)(2).

Dated: January 14, 2011.

Christian Marsh,

Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.

New Pneumatic Off-the-Road Tires From the People's Republic of China: Extension of Time Limit for Final Results of Countervailing Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

DATES: *Effective Date:* January 25, 2011.

FOR FURTHER INFORMATION CONTACT: Andrew Huston or Jun Jack Zhao, AD/CVD Operations, Office 6, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; telephone: (202) 482-4261 and (202) 482-1396, respectively.

SUPPLEMENTARY INFORMATION:

Background

On October 19, 2010, the Department of Commerce (the Department) published the preliminary results of the administrative review of the countervailing duty order on certain new pneumatic off-the-road tires from the People's Republic of China. *See New Pneumatic Off-the-Road Tires From the People's Republic of China: Preliminary Results of Countervailing Duty Administrative Review*, 75 FR 64268 (October 19, 2010) (*Preliminary Results*). This administrative review covers the period December 17, 2007, through December 31, 2008. The current deadline for the final results of review is February 16, 2011.

Extension of Time Limit for Final Results

Pursuant to section 751(a)(3)(A) of the Tariff Act of 1930, as amended (the Act), and 19 CFR 351.213(h)(1), the Department shall issue final results in an administrative review of a countervailing duty order within 120 days after the date on which notice of the preliminary results were published in the **Federal Register**. However, if the Department determines that it is not practicable to complete the review within the aforementioned specified time limits, section 751(a)(3)(A) of the Act and 19 CFR 351.213(h)(2) allow the

Department to extend the 120-day period to 180 days.

Pursuant to section 751(a)(3)(A) of the Act and 19 CFR 351.213(h)(2), we determine that it is not practicable to complete the results of this review within the original time limit. The Department needs additional time to analyze novel issues related to creditworthiness, and the respondent's financial history. In accordance with section 751(a)(3)(A) of the Act, we have decided to extend the due date for the completion of the final results of this review from February 16, 2011, to April 17, 2011, 180 days after the date of publication of the *Preliminary Results*.

Because April 17, 2011, falls on a Sunday, it is the Department's long-standing practice to issue a determination the next business day when the statutory deadline falls on a weekend, federal holiday, or any other day when the Department is closed. See *Notice of Clarification: Application of "Next Business Day" Rule for Administrative Determination Deadlines Pursuant to the Tariff Act of 1930, As Amended*, 70 FR 24533 (May 10, 2005). Accordingly, the deadline for the completion of these final results is now no later than April 18, 2011.

This notice is issued and published in accordance with sections 751(a)(3)(A) and 777(i)(1) of the Act.

Dated: January 18, 2011.

Christian Marsh,

Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.

Citric Acid and Certain Citrate Salts From the People's Republic of China: Notice of Extension of Time Limit for the Preliminary Results of the Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

DATES: *Effective Date:* January 25, 2011.

FOR FURTHER INFORMATION CONTACT: Krisha Hill, John Hollwitz, or Charles Riggle, AD/CVD Operations, Office 8, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; telephone: (202) 482-4037,

(202) 482-2336, or (202) 482-0650, respectively.

SUPPLEMENTARY INFORMATION:

Background

On June 30, 2010, the Department of Commerce ("the Department") published the initiation of the administrative review of the antidumping duty order on citric acid and certain citrate salts ("citric acid") from the People's Republic of China ("PRC"). See *Initiation of Antidumping and Countervailing Duty Administrative Reviews and Requests for Revocation in Part*, 75 FR 37759 (June 30, 2010). This review covers the periods November 20, 2008, through May 19, 2009, and May 29, 2009, through April 30, 2010. The preliminary results of review are currently due no later than January 31, 2011.

Extension of Time Limit for Preliminary Results of Review

Pursuant to section 751(a)(3)(A) of the Tariff Act of 1930, as amended ("the Act"), the Department shall make a preliminary determination in an administrative review of an antidumping duty order within 245 days after the last day of the anniversary month of the date of publication of the order. The Act further provides, however, that the Department may extend that 245-day period to 365 days if it determines it is not practicable to complete the review within the foregoing time period.

The Department finds that it is not practicable to complete the preliminary results of the administrative review of citric acid from the PRC within this time limit. Among other things, additional time is needed to consider relevant evidence and parties' comments regarding selecting an appropriate surrogate country and surrogate values with which to value factors of production. Therefore, in accordance with section 751(a)(3)(A) of the Act, the Department is extending the time period for completion of the preliminary results of this review, which is currently due on January 31, 2011, by 60 days. Therefore, the preliminary results are now due no later than April 1, 2011.

This notice is published in accordance with sections 751(a)(3)(A) and 777(i) of the Act.

Dated: January 18, 2011.

Christian Marsh,

Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.

Polyethylene Terephthalate Film, Sheet, and Strip From the Republic of Korea: Extension of Time Limit for Preliminary Results of Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

DATES: *Effective Date:* January 25, 2011.

FOR FURTHER INFORMATION CONTACT: Tyler Weinhold or Robert James, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; telephone: (202) 482-1121 and (202) 482-0649, respectively.

SUPPLEMENTARY INFORMATION:

Background

At the request of interested parties, the Department of Commerce (the Department) published in the **Federal Register** a notice of initiation of this antidumping duty administrative review. See *Initiation of Antidumping and Countervailing Duty Administrative Reviews and Requests for Revocation in Part*, 75 FR 44224 (July 28, 2010). The review covers the period June 1, 2009, through May 31, 2010. The preliminary results for this administrative review are currently due no later than March 2, 2011.

Extension of Time Limits for Preliminary Results

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended (the Act), requires the Department to complete the preliminary results of an administrative review within 245 days after the last day of the anniversary month of an order for which a review is requested. However, if it is not practicable to complete the review within this time period, section 751(a)(3)(A) of the Act allows the Department to extend the 245 day time period for the preliminary results up to 365 days.

The Department has determined it is not practicable to complete this review within the statutory time limit because we require additional time to collect and analyze information regarding costs of production and other expenses needed for our preliminary results. Accordingly, the Department is extending the time limit for completion of the preliminary results of this administrative review until no later than June 30, 2011, which is 365 days from
