In accordance with the Privacy Act of 1974, 5 U.S.C. 552a, the Department of Transportation (DOT)/Federal Aviation Administration (FAA) proposes to rescind DOT system of records titled, "Department of Transportation/ALL (DOT/ALL) On-line Accommodation Tracking System (OATS) System of Records," 74 FR 46637 (September 10, 2009). This system of records was established to facilitate the provision of reasonable accommodations to individuals with disabilities by establishing procedures, timeframes and forms for supervisors/decision makers to use in processing requests from employees and applicants for employment. The categories of records included employee's or applicant's name, functional limitation caused by the disability, reasonable accommodation (RA) requested, explanation of how RA would assist the applicant in the application process or the employee in performing his/her job or receiving the benefits and privileges of employment, dates when the required interactive discussions were held, notes from discussion regarding the request, action by deciding official, whether medical documentation was sought, justification for requesting medical documentation, any sources of technical assistance that were consulted, and if the request was denied, the reason for denial (but not medical documentation, which will be kept in a separate file). Non-PII in the system included: The employee's or applicant's occupational

series and grade or pay equivalent, operating administration, division or office, position title, office location and address and office telephone number; and the deciding official's name, title and office telephone number. The authority for maintenance of the system was the Rehabilitation Act of 1973, as amended, 29 U.S.C. 791; Executive Order 13164. The Department of Transportation determined that the Online Accommodations Tracking System (OATS) is no longer in use. The Department plans to publish a new System of Records titled "DOT/ALL 28; Employee Accommodations Files" to cover medical and religious accommodations files. Rescindment will promote the overall streamlining and management of DOT Privacy Act systems of records.
