

fund administrator to pay universal service support to service providers who provide discounted services to eligible schools, libraries, and consortia of those entities. The information collected on the FCC Form 472 is to be completed by an applicant to seek reimbursement for payments on approved services and/or products delivered to the applicant from the actual service start date. This information is necessary to identify the amount of the discounts due and owing from the service provider to the applicant, so that the service provider may reimburse this amount to the applicant. FCC Form 473, Service Provider Annual Certification Form. FCC Form 473 is submitted by each service provider or vendor that was assigned a service provider identification number (SPIN) and that participates in the universal service support mechanism for schools and libraries. The purpose of the form is to confirm that, for each Service Provider Invoice Form submitted by the service provider, the Form is in compliance with the FCC's rules governing the schools and libraries universal service support mechanism, and that the Form is true, accurate and complete. FCC Form 474, Service Provider Invoice Form. The Service Provider Invoice Form is to be used by all service providers or vendors who are assigned a SPIN and participate in the universal service support mechanism for schools and libraries. The purpose of FCC Form 474 is for the service provider/vendor to seek reimbursement for the cost of discounts. FCC Form 474 must be received before a service provider participating in the universal service program for schools and libraries can receive payment for the discounted portion of its bill for eligible services to eligible entities.

Federal Communications Commission.
