Proposal to approve under OMB delegated authority the extension for three years, with revision, of the following reports:

Report title: Application for Employment with the Board of

Governors of the Federal Reserve System

Agency form numbers: FR 28, FR 28s, FR 28i

OMB control number: 7100-0181

Frequency: On Occasion

Reporters: Employment applicants

Annual reporting hours: 3,558 hours

Estimated average hours per response: FR 28: 1 hour; FR 28s: 1 minute; FR 28i: 5 minutes

Number of respondents: FR 28: 3,500; FR 28s: 2,000; FR 28i: 300

General description of report: This information collection is required to obtain a benefit (sections 10(4) and 11(1) of the Federal Reserve Act (12 U.S.C. 244 and 248(1)). Information provided will be kept confidential under exemption (b)(6) of the Freedom of Information Act (FOIA) to the extent that the disclosure of information "would constitute a clearly unwarranted invasion of personal privacy." 5 U.S.C. § 552(b)(6).

Abstract: The Application collects information to determine the qualifications and availability of applicants for employment with the Board. The Application collections information on education and training, employment record, military service record, and other information since the time the applicant left high school.

Current Actions: The Federal Reserve proposes to revise the Application for Employment with the Board of Governors of the Federal Reserve System (FR 28) by (1) deleting the social security number question, (2) expanding the country of citizenship question in the case of non-citizens, (3) adding several criminal background questions, (4) expanding the Notes section to provide more detail about an applicant's rights and responsibilities, and (5) revising the confidentiality status for and treatment of certain information¹ provided on the Application. Board staff also proposes to revise the FR 28i by (1) modifying the areas of interest, (2) adding a more detailed section on software packages used by the candidate, (3) adding a section for the candidate's career objectives, and changing the rating scale format of the survey.

¹ For example, the release of information such as an applicant's date of birth, address, phone number, and personal information regarding any references provided would likely constitute a clearly unwarranted invasion of personal privacy, and would be kept confidential. However, the release of information such as the educational and professional qualifications of applicants would not likely constitute a clearly unwarranted invasion of personal privacy, and would not be kept confidential.

Proposal to approve under OMB delegated authority the extension for three years, without revision of the following report:

Report title: Recordkeeping Requirements Associated with the Real Estate Lending Standards Regulation for State Member Banks

Agency form number: Reg H-5

OMB control number: 7100-0261

Frequency: Aggregate report, quarterly; policy statement, annually
Reporters: State member banks
Annual reporting hours: 17,960 hours
Estimated average hours per response: Aggregate report: 5 hours; Policy statement: 20 hours

Number of respondents: Aggregate report: 888; Policy statement: 10

General description of report: This information collection is mandatory (12 U.S.C. 1828(o)) and is not given confidential treatment. However, information gathered by the Federal Reserve during examinations of state member banks would be deemed exempt from Freedom of Information Act (FOIA) disclosure by exemption 8 of FOIA. 5 U.S.C. § 552(b)(8).

Abstract: State member banks must adopt and maintain a written real estate lending policy. Also, banks must identify their loans in excess of the supervisory loan-to-value limits and report (at least quarterly) the aggregate amount of the loans to the bank's board of directors.

Board of Governors of the Federal Reserve System, December 4, 2007.
